SMART PEOPLE KNOW SHOPPING LOCALLY IS THE WAY TO GO

One sure way to get the most for your money is to do all your shopping at neighborhood stores. You get a lot more than just merchandise! Every dollar you spend goes back into your community in the form of taxes and local charities. Local Merchants rely on your patronage for their livelihood so they work hard to keep you as a regular customer. The service you get from local merchants is friendlier, more personal... you know them and they know you. Everyone wins when you shop locally!
