**NOTICE**  
This notice is to advise water consumers in the Town of Halton Hills (Acton) that there is no problem in supplying water for the needs of the consumers at the present time.  
However, if a high demand is placed upon the water system due to unusually dry weather conditions during the summer months, this situation may change.  
We would advise that you conserve water and prevent waste so that it will not be necessary to impose water restrictions.
