Tennis Sidelines

The Acton intercounty mixed team is gaining lots of experience but not much in the way of points this season, their first in the B league.

This week they held a double beader against Ontario Racquets, one of the more powerful forces in the league. On Monday, July 19 they were subdued 6-0. The next evening Acton managed to take one match thanks to a determined display by Gord Bruce and Scotty Hibbard in losing the fixture 5-1.

The Acton ladies also had a tough week as they went down to Central Park on July 21, and lost the fixture 3-t, Wilma Geng and Chris Steen pulled the lone match out of the bag for Acton.

The "over 40" men's doubles tournament is currently being played off to a rather loose schedule as vacations interfere. Look for more on this in this column shortly.
