

**Learn to swim**

Georgetown Y offers another series of swimming lessons starting Aug. 9 at the Outdoor Pool. Lessons are held between 1 and 2 p.m. weekdays. For more information or pre-registration, call the Y, 877-6163.

**Art Exhibit**

"Tell me what it is" is the name of a special exhibition assembled for the art gallery at Halton Hills Library and Cultural Centre by John Sommer, of Gallery House Sol. Sommer has collected 50 works by 46 artists in hopes that the exhibition will both entertain and educate viewers with as many different art techniques as possible. The show is dedicated to the memory of Marjorie Nazer. The gallery is open Tuesday to Saturday, 2 to 4 p.m. and Tuesday and Thursday evenings, 6 to 8 p.m., and will be at the gallery until Aug. 28.

**Dramatic Arts**

There is still room for children in Halton Hills Recreation Department's Dramatic Arts Program, run on a weekly basis at Georgetown High School. The program is designed for children aged seven to 12 years, and includes stage, television workshops and pantomime. If you are interested, call the recreation department, 877-5185.

**Pony, horse shows**

Alregis Acres will hold pony and horse shows this coming holiday weekend, August 1 and 2. The show features English competition with junior, novice, and children's divisions. The event includes a 7.30 a.m. breakfast for competitors, sponsored by Georgetown's Co-op. Alregis Acres is located three miles north of Highway 7 on Mountainview Rd.

**Library hours**

Halton Hills libraries will be closed on Saturday, July 31, and Sept. 4 for long weekends. In addition, Acton Library will be closed starting Friday noon, July 30 to permit painting.

**Mountsberg summer**

Do you want to bring a group, or a family, out to Mountsberg? Mountsberg Wildlife Centre, west of Milton, has conservation and environmental programs which can be provided to groups, such as day camp or residential camp participants, church groups, or other groups interested in summer activities. And if you're unable to leave home base with a group of pre-schoolers, Mountsberg can send along its Travelling Puppet Theatre to entertain you. If you're interested, please call Debra Ellis 878-4131.

**Figgy Duff**

Figgy Duff, a traditional Newfoundland folk music group (named after the pudding) will be performing at Branion Plaza, Guelph in a special outdoor concert Aug. 5 at noon hour. The concert is presented by The University of Guelph's University Centre, and in case of rain, the show will take place in the University Centre courtyard.

**Heart fund over top**

The Canadian Heart Fund, Ontario Division, reached its \$7.7 million campaign objective in 1982 in exceeding its goal by \$39,022.

Door-to-door canvassing, special events, corporate donations and the sale of 'Roses for Research,' in February all contributed to the final total of \$7,739,022.88.

Requests and other sources of income combined with campaign receipts will allow the Ontario Heart Foundation to allocate \$9,250,000 to heart disease and stroke research in Ontario, for the 1982-83 granting period.

Alex D. Broomfield, 1982 Canadian Heart Fund chairman said, "evidence to date, that research has paid off, is in the fact that the overall death rate from heart and blood vessel diseases, for people under 65 years of age, is down 27 per cent since 1953. Marked reductions have been achieved in deaths due to stroke. In heart attack, the single leading cause of death in Canada, the decline has only been 11 per cent."

**Trees available**

This summer, the Halton Region Conservation Authority is accepting applications for the private lands reforestation assistance program, directed to the rural areas of the watershed. The program is designed to do these things:

1. Reforest poor quality agricultural lands.
2. Develop windbreak protection along fence rows and laneways.
3. Provide erosion control along stream banks and creek valleys.

Through nursery stock application forms obtained from either the Ministry of Natural Resources or the Halton Region Conservation Authority, seedlings may be purchased. Hardwood and coniferous seedlings are available.

The trees are 2½ cents each and if planting assistance is required, the Conservation Authority will charge a nominal fee. The Authority will plant a minimum of 1,000 trees to a maximum of 20,000 trees per property per year. They ask that enquiries about this program be made no later than August 31.
