Organizers are EGGstastic about the new class and are looking for EGGstra participants with the new class.

First prize is pegged at \$2, second prize winners \$1.75 and third prize \$1.50.

Judging will take place in the arena Friday and all entries must be at the arena by 11 a.m. Friday, September 17. Information or advance entries can be obtained from Secretary-Treasurer John Rowe 853-1496.

Getting into Acton's Leathertown theme, the Acton Agricultural Society has this year adopted the Leathertown logo which will be proudly displayed in the centre of their new ribbons. Plans are now finalizing for the three day fair, September 17, 18 and 19.

Pioneer games at the Fall Fair

by Jennifer Alton
The challenges are out and local teams are working to get in shape in preparation for this year's Pioneer Games at the Acton Fall Fair. Organizers are still finalizing plans which will see five activities for all ages included in this year's Pioneer games scheduled for Saturday, September 18.

Committee chairman Denzel Height said the junior and senior Tug 'O' War will be returning this year. Children between the ages of 10 and 15 are invited to get together a team which can register at the fairgrounds prior to the 1 p.m. start. The Acton Bulldogs, well known local tug 'o' war champs and winners of the 1982 Speyside Highland Games Tug 'O' War in Georgetown are planning to return in full force this year and have issued a challenge urg-

ing others to put together a team for the Acton Fair event. Individuals can take part in the log sawing, wood chopping, horse shoe pitching, hay bale toss and farmers walk also planned Saturday afternoon as part of Pioneer Games fun.

Special guest announcer this year will be well-known singer Kent Tocher. In addition to taking part in and enjoying a great day at Acton Fair,

the prize money may give teams extra incentive. Seniors will be pulling for the \$75 first prize in the tug 'o' war, \$50 second prize and \$25 third per team while junior teams will have a chance to take home a \$24 first prize. Other pioneer game activities will also offer competitive prize money.

For information on any of the pioneer games or the tug 'o' war registration, Denzel Height can be reached at 856-4855.

Car is kicked

Guelph OPP estimate about \$150 damage was done to a vehicle owned by George Farrell of Kitchener at the Rockwood Conservation area July 24.

Police say the Farrell vehicle was parked at the pavillion when the damage to the left rear fender occurred. According to OPP spokesman Constable

Jim Butler, "It looked like it (the fender) had been kicked in."

Sheridan graduate

A young Acton woman, Geraldine Joann Windmoller, recently graduated from the Sheridan College School of Nursing.
