Ladies draw with Bolton, Bolton blanks Stingers

Carol Saxon

J & T's sports ladies played a very strong game last week against league leaders. Bolton had beaten Acton on two previous occasions this season, but this time were held to a 1-1 tie. Jane Trueman scored the only Acton goal. Strong performances were shown by Anne Stewart, Sheila Strelee and Jane Trueman.

Hard working Royal Trust Stingers put up a real strong fight, but the luck was with Bolton as they managed a 1-0 victory over Acton.

Playing well for Acton were Julie Lewandowski, Lee Gallant and Charlotte Walker.

Good Pee-Wee effort

Actons Pee-Wee girls put up a great effort last week but were beaten by a strong Bolton team 3-0. The Acton defence played well, but the defence couldn't put the ball past the Bolton goalie. Good games were played by Pam Stewart in goal, Ginnette Caissie on defence and a super effort was turned in by Johna Ofsanka.

Foxes finishing in style

The Acton Foxes are really finishing off the season in style. They beat the Caledon Knockers last Tuesday by a score of 8-0.

Elke Ziessig opened the scoring from a direct free kick shortly after kick off. This was followed five minutes later by a goal from Vera Van Item,

again from a direct free kick. After half time the Foxes really seemed to pull it together. Vera Van Item scored again, this time directly from a corner kick to give a 3-0 lead. After

this Caledon just couldn't seem to get the ball out of their area. Regular goalie Susan Wilson came out to play on the forward line towards the end of the game and

this time found herself scoring two goals instead of saving them. The Foxes still didn't slacken off. Three more goals by Clazina Van Spronson, Shirley Van Rijk and Laurie Biffis gave Foxes a 8-0 victory. Back

into a revival and an equalizer seemed certain, when the flood lights timer switch put out the lights with 5 minutes to go. The score of Bracken's 3, Acton 2 will most likely stand as final.

Acton met the Georgetown Falcon Reserves team at the high school the following night and although short of key players again took the lead with two well taken goals in the first half.

Again the young Acton defence had a lack of concentration and allowed Georgetown to come back to a 3-2 lead with 5 minutes to go.

Acton set up tremendous pressure and kept the Georgetown defence penned in their own half and finally with I minute to go the equalizer came from a corner kick and two perfect headers. Final score was 3-3.

This closes the regular season for the Villa B team who should end up a respectable third out of

Ball roundup

Lights out for Pee-Wees

Minor Ball

It was lights out for the Acton OASA Pee-wees as they tried to qualify for the Ontario Championships on Monday night in Markham.

Tied at one game each with Markham, the local lads put their minds to playing beads-up aggressive ball in Monday's deciding game, but it seeined everything was against them. After a rain delay the Acton squad built up a 7-4 lead in the fifth inning when the umpire called for a delay in the game until the lights could be turned on. They weren't, the game wasn't and now Acton must do It all again tonight (Wednesday) when Markham travels to Prospect Park for the fourth game in a best of three series.

After winning the opening game of the series 4-1 at home the Acton squad travelled to Markham last Monday losing 11-1, forcing the deciding

A 45 minute rain delay set the tone for the game, but it didn't dampen the Acton spirits. The locals jumped ahead with a quick run in the first inning and then added to their lead in the second before Markham got a chance to close the gap.

Acton counted twice in the third inning to build up a 5-1 lead but threw the ball away allowing their hosts three runs in the bottom of the inning.

After a scoreless fourth Acton came to life picking up a pair of runs in the fifth as Cyril Nibbs came up with a timely triple to jump Acton's lead to 7-4 before the umpire decided it was getting a little too dark to continue. With one out and Nibbs at third the game was suspended in the fifth.

If the fifth inning had been completed the game would have been declared official and Acton would have been on their way to the Ontario Finals in Beamsville on September 4 and 5. However, the luck was on Markham's side on Monday and the Acton team must again gear themselves up as they prepare for a restart tonight (Wednesday) at 6:30 p.m. at Prospect Park.

Acton hosting pee-wee tourney

With Ontario Championship finals coming up for several area pee-wee teams in the next few weeks, the Acton OASA Pee-Wees have organized a prep tourney for some of the teams.

This Saturday Prospect Park will be filled with eight teams of 12 and 13 year-olds as they vie for the Acton Pee-wee Tourney Championship.

Teams from Guelph, Hespeler, Owen Sound, Grantham, Bradford, Milton, Rockwood and Acton will be looking for the round robin cham-

The games will begin at 9 a.m. at both diamonds at the local park with teams playing their round robin until 6 p.m. at which time the top four survivors will battle it out in the semi-finals.

The championship game of the event is slated for 8:30 p.m. If rain dampens the activities the tourney will go the next day.

The local Acton entry will have their hands full as they tackle the 'A' division teams meeting Owen Sound at 10:30 a.m., Guelph at 1:30 p.m. and Grantham (St. Catharines) at 4:30 p.m. Bradford, Milton, Rockwood and Hespeler will toil in the B division with the top two teams from each going to the semis.

August 17 and 19. Karie Gudgeon and Tracy Wrigglesworth gave tremendous efforts from the pitchers mound, this season, with Kim Hagen and Linda Bottero clamping their gloves on their flery pitches.

Excellent fielding was performed by Tammy Corkim, Suzanne Mellon, Pam deMontmorency, Gail Gall, Shannon Johnson and Carolyn Laver throughout this season. With Carrie Gallant, Monica and Margie Parker, and Christine Grimes protecting the in-field, this young team will be challenging Hornby August 24 in Hornby, and August 26 in Acton (Prospect Park) for the Pee-Wee girls Halton Rural championships.

Tennis Sidelines

Duff, Morris champions

Pierre Boilert won in under 14 singles action over the weekend.

Bernie Kovacs returns a shot in recent senior men's doubles action at the courts.

The Acton Tennis Club senior men's doubles final eventually got underway on August 18, after some delay, when Scotty Hibbard and Ken Kavanagh took on last year's champs Glenn Duff and Mike Morris. Unfortunately the younger players did not play their best tennis and the more experlenced players, Duff and Morris, showing some nice touches, were once again victors 6-

2, 6-2 in the best of three sets final. Both sets followed an identical pattern with Hibbard and Kavanagh going ahead 2-1. After this they could not cope with the very accurate and more consistent play of Duff and Morris. Hibbard became frustrated and tried to put

the ball away from a difficult position and Kavanagh was a little too anxious at the net and missed some of the deft touches for which he is well known. No doubt they will both be back a little wiser and more challenging next Last weekend, Else Veldman was busy

running an excellent tournament for the funior club members and fortunately managed to finish the scheduled games just before the rain set in on Sunday afternoon. In the under 14 girls singles, Jill Briggs bested Amanda Kovacs and in the under 17 girls singles Holley Cooper best Susan Wilson in the finals.

The under 11 boys singles championship went to David Thorpe over Gareth Marks in a very close match. In the under 14 boys singles, Pierre Bollert beat Steve Henry.

In the under 11 boys doubles, Tim Briggs and David Thorpe edged Gareth Marks and Sean Yamashita for the championship. The under 18 boys singles is yet to be played.

In the inter county league, the mixed team could not muster enough strength to win their last three fixtures as they went down to Credit Valley twice and Pine Point. This has been a very frustrating season for the team after finishing top of the 'C' league last year. They have come close in many fixtures, going three sets in three of the matches for instance against Credit Valley last week, but unfortunately near misses do not bring in the points.

The ladies inter county team have finished a very creditable season in fourth spot in their

seven team league. The inter county junior boys team have also finished their sesson. The final league positions are not yet officially available but will be presented when available.

Among the upcoming club events is the ladies and men's club singles tournament to be held the weekend of August 28 and 29.

Register with Gord Corcoran at 853-3560. Weekly Friday night senior round robins go at 7 and we expect more players out now that (hopefully) cooler evenings are here.
