The Acton Figure Skating Club float was a winner.

Treasurer predicts surplus

Treasurer Ray King is forecasting an end of the year surplus of \$18,000 for the Town of Halton Hills.

He noted 1982 started out with a surplus of \$651,404, but unexpected costs such as storm damage, and provincial sales tax on previously exempt municipal equipment and increased OHIP costs have cut into the surplus. In addition repairs to arenas in Acton and Georgetown were unexpected.

At the end of August, snow removal and road shouldering were over the budget figure, but the treasurer claims these costs can be taken from other areas.

King warned of the need for careful preparation for the 1983 budget, pointing out the surplus would be minimal and the provincial grants will increase, little or not at all. He concluded by saying he hoped expenditures for the remainder of this year could be kept even lower than his projections.

Consultant says

Parkland demands higher than most

At Halton Hills council meeting, Monday night, Pete Walker, one of the consultants on the Official

Plan, repeated an earlier statement that 12.5 acres of parkland per thousand people in an excessive amount. This is the amount set out as a goal in the Master Parks Plan.

He said in a comparison with other municipalities 6.5 acres per thousand people is the average amount. He stressed the 12.5 acre figure is far in excess of the five per cent parkland dedication demanded of developers, and pointed out if that figure stands it would mean a great amount of money put out by the Town to acquire and maintain parkland.

Walker said he could not recommend the 12.5 acres per thousand figure be included in the Official Plan.

Approval new lease town office delayed

Approval by Halton Hills council of a new lease with the Murray Memorial YMCA for rental of the municipal office and police station

downtown was delayed Monday night while staff has a clause clarified.

Liquor charges

A total of 16 liquor charges were laid at this weekend's Acton Fair, Halton Regional Police reported. Seven occurred in the park and nine in the immediate vicinity.

There were two arrests for disturbing the peace.

Confusion cropped up about the wording of a clause and if it means the municipality or Y will be responsible for "reasonable wear and tear" repairs and replacement of the gas furnace. The proposed lease will be sent back to the solicitors to get the matter settled.

The new rent will go up to \$550 a month from \$360 and the municipality will continue to rent 1,283 square feet, of which 782 square feet will be subject to the police.

Extend sewer on Kingham Rd.

A recommendation to extend the sewer on Kingham Road, Acton, was unanimously carried at the planning and public works committee meeting last Wednesday night.

Residents on Kingham Rd. have been plagued by continual sewer back-up problems, due to an old private pumping station. The proposed extension will alleviate much of the back-up.

Over 63 residents signed a petition to eliminate the existing pumping station and extend the sewer.

The recommendation will now go before regional council for approval.
