

Ballinafad

Churches plan joint roast

by Winifred Smith
The first day after the summer holiday brought many little tots and older ones out to Sunday School. They sat in the two front pews of the church and were interested in the little story Rev. Bandy had to tell them (except one little fellow who thought he would like to explore a bit around the church before going down to classes. Rev. Bandy had an inspiring message for all. It was announced there is to be an annual corn roast in which St. Andrew's, Georgetown and Ballinafad Churches will jointly be host.

A dance will follow. All families of both churches are invited to attend. There will be no admission charge. It will be held this coming Friday in the Ballinafad Community Centre, beginning at 7.30.
Report on Soccer
The 1982 season is now almost over and the teams have done extremely well. Evidence of the popularity of soccer in the village was seen at the annual barbecue held on September 11, despite competition from the Georgetown Fall Fair, almost every player on the five teams was at the event for team photographs and trophy presentations.
It appears that two of the teams will be playing for the cup in their division, on the "Finals Day" on Saturday Sept. 25 at Cedarvale Park, Georgetown. The Major Atom team, coached by Klaus Schneider has already advanced and will play at 10.30 a.m. The major Squirt team, coached by Ray Shire has one game left to play before Saturday, but based on their season's record, they should have no trouble. If they are successful, they will play at 1.15 p.m.
Many thanks are due

to all the coaches, managers, and other helpers for all their hard work throughout the season, also to the parents for their unfailing local support, and lastly to the players for bringing credit to themselves and the village through their efforts. Please come out to the finals and give the teams the support they deserve.
We wish them "Good Luck."
Start early medical check-ups in youth. In families with a history of high blood pressure, the condition can begin at an early age.

What does community development mean?
Last year, it meant building a new wharf for Point au Gaul, Newfoundland. Renovating an education centre in High Level, Alberta. And improving a salmon fishery in the Skeena region of British Columbia.

DOES YOUR FURNACE OIL SUPPLIER MEASURE UP TO GULF?

You may think that all heating oil companies are alike. After all, they deliver oil when you need it and that's pretty well it, right? Wrong. Gulf offers you a selection of services and service practices that you may not be getting from your present oil company. The following are just a few of many. Read them over. Isn't this the kind of service you want?

24-hour Emergency Service
If your furnace breaks down, a call to our 24-hour emergency number will bring help fast. A repairman will come out to put things in working order again...fast. We won't leave you cold.

Budget Plan
Gulf's Budget Plan spreads your heating costs equally over 12 months so your bill doesn't get bigger as the winter gets colder.
You'll budget better knowing what your monthly heating bill will be - and there's no extra charge.

Furnace Protection Plan
A furnace breakdown can be more than just irritating. It can be very expensive. The Gulf Furnace Protection Plan can prevent that possibility. A single low payment covers an annual servicing, 24-hour emergency service, replacement of most parts and labour charges. It adds up to a 12-month protection package you can ill afford to be without. You'll never have to worry about expensive furnace repairs again. It's good insurance for your furnace and for your peace of mind.

CALL TODAY FOR MORE INFORMATION.

Helping you save energy.

This year it means jobs for over 48,000 Canadians.

The federal government's Canada Community Development Projects (CCDP) will provide \$270 million to hire local workers for projects that improve the communities in which they live. Young people, men and women and disabled Canadians, will be building their work skills and experience, while building their communities.

If you have an idea that will enhance the economic or social life of your community and employ three or more local people full-time, visit your local Canada Employment Centre. Applications and program information are available for sponsor organizations, local corporations and cooperatives who've got the experience to organize and coordinate community-based employment programs like CCDP. Job creation is a vital component of the federal government's six and five economic recovery plan.

Tell us what you think community development can mean to your community, and all the people who live and work there. Applications must be received by September 30, 1982.
