

Home drive raises \$10,000

Halton Hills residents dug deeper into their pockets to help the mentally retarded this year than they did last year.

Last year the door-to-door canvass by the North Halton Association, which included Milton, raised \$8,000, while this year in Halton Hills alone over \$10,000 was collected. The household canvasses took place from May 17 to 22.

The association's office moved from Wesleyan Street to the ground floor of Silver Creek Towers at the beginning of September.
