Fire Chief doesn't use Acton office

The fire chief's office in the Halton Hills office in Acton is now being used by the recreation department.

Fire chief Bill Cunningham, who took over the post from retired chief Mick Holmes this past summer, told Halton Hills council Monday night he isn't using the office and the parking spot reserved for the chief on John St. South isn't needed either.

During a discussion of moving the chief's main office from the Town treasury office in downtown Georgetown to the Georgetown fire hall, Councillor Dave Whiting reported he has heard from residents who have missed seeing the chief and his car around town since Holmes retired. Earlier in the meeting it was revealed the chief's red car isn't being used now and a replacement is needed. Since Holmes lives in Acton residents were used to seeing the chief around a lot.

Cunningham said he has been on the scene of fires in Acton, attends many Monday night practices for the volunteers and attends other fire department functions in Acton.

Juliana Turner, RR#2 Acton, received a voucher from Willow Lane Natural Foods new owners Marj Thornton and Charlene Landry recently for selecting the name of the store.

Window broken in game

An early morning football game resulted in a broken window at Canadian Style Donuts Tuesday about 2 a.m.

Halton Regional Police say about \$400 in damage resulted.

St. Joseph's CWL Record 102 membership

St. Joseph's C.W.L. held the first meeting of the season on Tuesday, September 14, in the Church Hall. Mrs. Ruth McMahon, third vice-president presided in the absence of President Mary Margaret Dickinson. The meeting opened with a prayer led by our Spiritual Director, Father Ralph Diodati.

The minutes of the last meeting were read by the secretary, Mrs. Rina O'Brien, and the treasurer's report was given by Mrs. Pauline Porter. Membership convener, Mrs. Loretta Sammit announced that out League has reached an all time high of 102 members. Mrs. Julie Conroy, social convener, reported that the Parish picnic held on Sunday, September 5 was well attended and everyone had a good time.

Mrs. McMahon, under her convenership of Christian Family Life, reported that the following children received the gift of Baptism over the summer months: Joseph Michael Kevin Howe, Alexander Buchanan, Jennifer Kathleen Gavin, Jessica Marian MacPhail, Joanne Vitale, Christopher Boyd Gillingham, Crystal Gillingham, David Michela Albano, Jaime Lyn Cavasin, Peter Bernard Michael Topolay, Benjamin Humberto Solar. Mrs. McMahon announced that the C.W.L. award for top graduating student of St. Joseph's School went to Catherine Barret. Although just into the season, our League has already been active in several events. The ever-popular C.W.L. sponsored coffee Sundays began on September 12 and a fund raising bake sale was held at that time. Some members of the League also provided a luncheon for a Deanery meeting on September 15 with approximately 20 priests in attendance. A suggestion by Father Diodati that some of our members visit the shut-ins, the sick and the elderly was enthusiastically received, and many of the ladies present generously volunteered their time. The Fall Regional Workshop for presidents only takes place on October 2 and Mrs. Dickinson hopes to attend. A few of the League members announced that they would be running in the Terry Fox Marathon of Hope and pledge sheets were passed around.

The meeting then closed with a prayer. Following the business part of the meeting, the ladies busily made bookmarks and gift cards out of dried pressed flowers. These were sold at the Acton Fall Fair. Our next general meeting takes place on Tuesday, October 12.

Adjourned again

The remand of Richard Holmes has once again been adjourned to next Monday morning in Milton Provincial Court.

Holmes is charged with causing a disturbance, assault with intent to resist arrest and breach of recognizance following an incident involving a Halton Regional Police officer in downtown Acton in the summer.

Holmes was to appear in court last Monday, September 13, to set a date for trial, but because he was in custody in Hamilton-Wentworth Detention Centre on other matters, his remand was adjourned until this past Monday. However, Duty Counsel Ron Henry, on behalf of Holmes' lawyer Bruce Hillier, asked for, and was granted, the adjournment.

No damage to dryer

There was no damage to a clothes dryer at 2 Storey Drive Monday afternoon after arcing resulted when it was pushed against a wall.

Deputy fire chief Bob Hyde explained the dryer was being repaired and the back was taken off of it. It was pushed against the wall, where it made contact with the panel and created smoke and sparks.
