**Nursing
Assistants
graduate**

The first group of Nursing Assistants has graduated from a full-time 35-week program offered through Sheridan College.

The program, offered through the Apprenticeship, Retraining and Skill Trades Division of the College, is offered at the Credit Valley Campus (School of Nursing) in Mississauga.

As graduates of the program, nursing assistants are eligible to write registration examinations administered by the College of Nurses of Ontario.

There were 23 graduates from the first session.

Program Co-ordinator Helen Lloyd said a second session of the program began Sept. 14, and that it will be offered on a regular basis.

Applicants should be in good health, have a grade 10 education and be mature students, she said.

Registered Nursing Assistants are able to care for patients who are in stable condition, and assist Registered Nurses in the care of patients who are more acutely ill, said Lloyd.

For more information on the Nursing Assistant program, contact Bente Hansen, Mississauga Campus, 778-6134, or your local Manpower Office.
