THIS AD COULD BE ALL THAT'S STANDING BETWEEN YOU AND A FOSTER CHILD.

On the surface, it's not difficult to have a mistaken impression about foster care.

And if you never take the time to crack the surface, and find out the facts, you might very well be denying yourself, and a foster child, a very rewarding experience.

Your willingness to care may be all the qualification you need to be a foster parent. Financial assistance, guidance and support are available to foster parents.

The personal rewards of sharing your love with a child or young person who really needs you are very great.

Please contact your local Children's Aid Society or Family and Children's Services, and find out more about foster care.

The children need you now, more than ever before. And maybe you need them too.

Limehouse

Good turnout for anniversary service

by Mrs. A.W. Benton
Mr. and Mrs. Sidney Hardie of Ferndown, Dorset, England spent a few days with Mrs. Glynn recently. Dr. Peter Glynn of Regina, Saskatchewan visited his mother on Sunday while on a business trip to Ontario.
The ladies of the neighbourhood are invited to attend the Women's Institute meeting in Limehouse Memorial Hall on Thursday evening at 7:30 when Miss Jean Ruddle will speak. There is no admission charge. Just bring a craft for display.
Mrs. Roughley had her sister-in-law Mrs. Mochuck from Calgary visiting with her recently.
A good number turned out to hear former minister Rev. F.N. Young at Limehouse Presbyterian Church's 131 anniversary service on September 26.
Almost 300 came to enjoy the good turkey supper with quite a number of take-out dinners as well on Wednesday evening.
Mr. Al Wilson is undergoing treatment in hospital in Georgetown. We hope he will be well soon.
Congratulations to Wayne Cunningham who won a two year scholarship to attend the OAC, as one of a team of two Halton plowmen who won second in points for two-furrow tractor plowing at the Provincial Plowing Match at Lucan last week.

"Part-time leads to full-time"

The hiring of part-time help almost always ends up full time. Mayor Pete Pomeroy told Fire Chief Bill Cunningham when he asked for such help. The fire department has been sharing the salary of a secretary with the tax department, but now the Chief wants a part-time secretary at the Fire Department headquarters. Clerk Administrator Ken Richardson explained the treasury department is operating with two less staff members than usual. He said the part-time secretary would work on three or four hours a day.
The mayor asked the item be deferred.
