The Regional Municipality of Halton PUBLIC MEETING ENVIRONMENTAL ASSESSMENT OF THE LANDFILL COMPONENT OF HALTON'S SOLID WASTE MANAGEMENT SYSTEM
The Regional Municipality of Halton has retained a consulting team to prepare an Environmental Assessment regarding solid waste disposal. The terms and conditions of The Environmental Assessment Act require that alternative methods of solid waste disposal be considered initially, leading to determination of the need for a landfill component and the final undertaking.
The initial stage of the Environmental Assessment is in progress, and the consultants have developed a Draft Work Program, describing the study approach, methods and timetable for the Environmental Assessment.
All interested persons are invited to attend a public meeting to review and comment on the Draft Work Program.
Planning and Public Works staff of the Regional Municipality of Halton, and members of the consulting team will be available at the meeting.
For further information and a copy of the Draft Work Program please contact
