

Canada's Largest Leather Goods Store

The predominant theme throughout the Old Hide House is, of course, leather. This fact combined with the size of the building and the extensive inventory of leather products makes it the largest leather goods store in the country.

The Leather, Suede and Sheepskin garment department stocks about 5,000 coats, jackets, suits and pants during the fall and winter season.

It is important to note that while there is a tremendous range in the quality of leather and suede garments on the market, the Old Hide House carries only medium and high quality product lines. The low prices are achieved through buying and selling in volume. Sawyer of Maps, Crown, Montreal Leather Garments, Cordovan, Olympic, Cavalli, and Bristol are some of the featured lines. For those people who require hard to

find sizes such as tall and large sizes for men and petites, and half sizes for ladies, the Old Hide House stocks these in many styles.

Whether you are looking for a traditional everyday leather carcoat or the most fashionable fur trimmed coat for more formal occasions, the Old Hide House offers you an unparalleled selection of quality garments at prices far below traditional levels.

Footwear and Handbags Leather Gift Shoppe

Genuine leather footwear and handbags are a specialty of the Old Hide House. There is an extensive selection of Canadian made, all leather shoes, boots and slippers for both men and women. Brand names such as Thomas Wallace and Celebrity in ladies' shoes and Florsheim and Jarmen in men's styles. Literally hundreds of leather handbags in every style and price range are also available at prices which are a pleasant relief from traditional department and specialty stores.

The variety of products made with leather can be seen by browsing through the "Leather Gift Shoppe" at the Old Hide House. Probably the most extensive leather gifts collection anywhere, you can find a large selection of Canadian made wallets, briefcases, portfolios, cosmetic bags, backgammon and chess sets, men's and ladies' belts, genuine Indian dolls and an endless variety of gift ideas and suggestions made from one of nature's most beautiful and durable products — leather.

DELECTABLE DINING

If delicious food served with cozy country charm in a relaxed, rustic retreat sounds exciting to you, then treat yourself with a visit to Jack Tanner's Table.

The building's transformation from a tannery warehouse is most impressive in this fine restaurant. There are skylights to provide natural light, solid oak dining tables, leather lounge furniture, and four massive brick fireplaces that will warm your heart as well as your hands. More than a mile of chain connects Tiffany lamps, and over two hundred plants hang from a forty foot ceiling.

Relax in the pleasant infor-

mal atmosphere created by solid oak archways and the original brick walls and enjoy Prime Rib of Beef, the specialty of the house. The Canadiana cuisine also boasts of charbroiled steaks, chicken, and a variety of seafoods, and is complimented by fresh produce displayed on the Saled Bar and Bread Board that feature over thirty-five items.

Jack Tanner's is fully licensed and offers entertainment for diners and dancers on weekends. For lunch, dinner, Sunday Brunch or just a relaxing drink with friends in the lounge, visit Jack Tanner's Table.

It's more than just a nice place to eat.
