Dancing  
up a  
storm

They dance the night away. Liz Chalmers, of Acton School of Dance shows ladies how to have fun and exercise too in the Y's Danceercise classes. There's three classes on Wednesday, one in the morning and two in the evening. Taking part in this particular class are Debbie Butler, Brenda Hildred, Marj Lane, Barb Cleave, Lynda Jennings, Linda Burke, Sandra Farrell, Linda Vincent, Dorothy Smith, Nicki Barends, Brenda Turkoz, Gayle Dale, Fawn Kennedy, Debbie Walden and Diane Cooper.

**GOOD NEWS FOR  
GAS FURNACE  
OWNERS**

At last! The big break-through in gas furnace technology is now available to homeowners.

It's the Lennox Pulse gas furnace — 92-96 per cent efficient (as determined by the U.S. Dept. of Energy Standards).

If your gas furnace is 10 years old or more, you owe it to your family to:

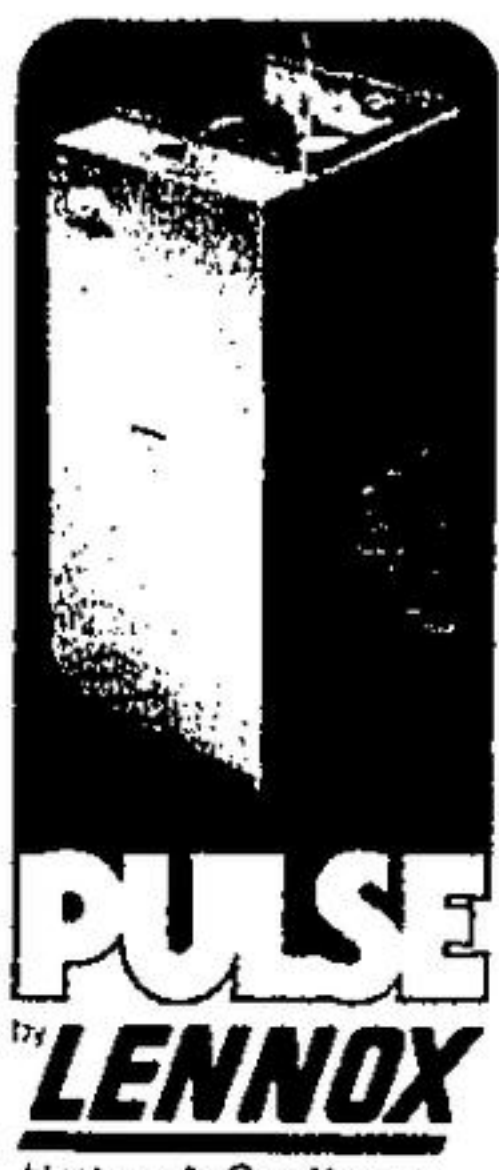

1. Get it checked every year. Age and condensation problems may affect the safety of your gas furnace. Don't take chances. Leaking fumes are invisible and deadly.
2. Enquire about the new Lennox Pulse furnace. It can make a drastic reduction in your heating bills — enough to justify replacing your current unit today, even though it is still operating.

The Pulse gas furnace features:

- ☆ low-cost installation
- ☆ high quality components
- ☆ easy serviceability
- ☆ quiet, trouble free operation
- ☆ 20-year heat exchange warranty

It's been field-tested for five years. It doesn't even need a chimney!

For a free, no-obligation estimate . . . or, if you want your furnace checked and tested, call us!
