W.I. topic:

"Preparing for funerals"

by Mrs. A.W. Benton
We are sorry to hear that Earl Scott has been in hospital for the past month. He is presently in Toronto General being treated for a blood condition. We hope that he will be well soon.

Jack Noble is still in the doctors' care. We wish him well also.

We extend sympathy to Hank Porte and daughter, Mrs. Harness and the Brooks families in the death of Mrs. Porte, formerly Agnes Brooks, on November 1 in Guelph General Hospital.

We congratulate Mr. and Mrs. Robert Roughley, now of Winnipeg on the arrival of their second little daughter, Katherine Anne, October 28.

Limehouse Women's Institute held their November meeting in their hall on Thursday evening. Following a poem "Time" by president Mrs. Anderson, roll call was answered by telling where members' ancestors were buried.

District night on November 19 at St. Paul's Church in Milton was mentioned and plans made for Limehouse to present a short play.

Mrs. Frank Brown reported the recent convention at Arthur. Mrs. Anderson told of a visit to Blue Springs Scout Hall the previous day, and a film on scouting may result. An invitation by another branch to go by bus to the Eriand Lee Home had to be turned down and a fall board meeting by Mrs. Booth was reported.

Current events were handled by Mrs. F. Brown and conveners gave two minute items. Mrs. J.W. Noble asked to be relieved of her books due to illness in the family.

Convener of Education and Cultural Activities, Mrs. Hannah gave a splendid talk on "Preparing for Funerals," which raised considerable discussion and a wish by some to visit a funeral home.

Mrs. Anderson served a light lunch and Mrs. Hannah thanked those who helped with the program. The next meeting will be a pot luck supper when someone from the police department is expected to speak. All will be welcome.

Come and enjoy the WI euchre in the hall November 10, 8 p.m.

War veteran, Thomas Given read the Honor Roll list at Remembrance Day services at Limehouse on Sunday.
