Jayne Telford, Rena Arlic and Elma Braida last week helped pack the Christmas bales for the various hospitals from the Acton branch of the Canadian Cancer Society.

**Legion happenings**

by Harry Norton

Well we finally did it. The Branch is now winterized and the executive wants to give a special thanks to the volunteers who put up the snow fence and packed the outdoor tables and chairs away. A job well done. Thanks.

What with Darts, Cribbage and bingo during the week and 'Rockin Robin' in the lounge on Friday night it starts out as a normal week for Branch 197 but starting Saturday we are into the Christmas season.

On Saturday December 11 at 3:00 p.m. we will have our annual turkey roll. For those needing a little nourishment to sustain them during this strenuous afternoon we will have Hot meat pies available at \$1 each. Come on out and win our Christmas turkey. Bill Luekner will be at the piano in the lounge Saturday afternoon to lead in Christmas song. Should be a lot of fun.

On Sunday Branch 486, Bronte is hosting a zone meeting starting at 1:30 and all members are welcome. Also on Sunday the Branch and the Ladies Auxiliary are taking presents to the vets at Sunnybrook Hospital so a busy weekend is coming up.

Before you get your Christmas calendar too full make a note to attend our Christmas Euchre on Wednesday, December 22. Being the last Wednesday before Christmas there will be bingo too for \$2 you can have a fun evening of euchre and maybe win a turkey or one of the other Christmas related prizes.

To cope with a few outstanding year end items and to wind up Branch business for 1982 comrade President Jim Higgins has scheduled a special executive meeting for Monday December 13 at 7:30 p.m. All members of the Executive are requested to attend.

**No injuries in accident**

A 20-year-old Acton man lost control of his car on the muddy road on First Line, just south of 22 Sideroad, causing \$4,000 damage to his car.

Police say Clayden Cameron was driving northbound when he lost control, entered the east shoulder, rolled the car on its side and hit a tree. No injuries were sustained in the accident.
