

Legion news

By Harry Norton
As this is the last message for this year I would like to take this opportunity, on behalf of the executive, to wish all members and their families a Happy and prosperous New Year. May your co-operation and comradeship with the Branch be even better than in 1982.

Although Santa was good to me and all my family I am looking forward to a new start in 1983. December has really been a bumper. A week before Christmas some kind soul sneaked onto our property and cut down a beautiful 50-year-old Balsam and nipped off the top few feet, presumably for a Christmas tree, and left the rest to rot. A sorry end to such a stately tree. I just hope the thief did not bring his children along to see how daddy steals for them.

That was the start and then my message for last week's Free Press was sabotaged or stolen. The thing we all worry about happened and I was ripped off by a computer. Mr. Murray assures me that the composing room typed your message into the computer, but that it must have gotten split out to one of their other papers. I don't know who got it or where, but I hope we have better luck with this message.

The Christmas Euchre last Wednesday was a huge success and it is rumored that after winning two turkeys Hector Lambert is giving up darts and going to concentrate on the card games.

The following from Last Week's lost message should be repeated. As mentioned last week Santa Claus came to the Legion last Sunday (December 9) and 185 lucky children got to shake his hand, maybe led a bit to him and got a present. If you were out of town, forgot or for some other reason did not get down to get your present, Santa left presents for all the kids on the list. If you were not there get in touch with Fred Allen to arrange a time and date to pick up your present. Presents not picked up by Saturday, January 29, 1983, will be given back to Santa on his way back from a holiday in Florida and will stay at the North Pole until next Christmas.

A lot of volunteers worked with Fred to make this year's party a real success and on behalf of Fred and all members of the Branch I would like to thank them and wish them a Merry Christmas and a Happy New Year.

There are still a few tickets for the annual New Year's Eve party at the Branch, so if you have not picked up your ticket yet you better hurry down now and get one while they last and Ab Irwin says there are still a couple of days left to pay your 1983 dues and become an Early Bird.

Start the New Year off right and plan to attend the President's Levee at the Branch New Year's Day.
