Women invited to join breast study

Acton women between the ages of 40 and 59 are encouraged to sign up for the national study of breast x-rays at Mount Sinai Hospital, Toronto, on Tuesday, January 18.

The Acton Unit of the Canadian Cancer Society is arranging a day in Toronto to enable women to take part in the study. Last year's participants felt the time spent was very worthwhile. Regular check-ups and self examinations have kept the breast cancer rate steady, but have not significantly reduced it, according to publicly chairman for the local unit, Jayne Telford. "Most cancers can be cured if detected and treated early enough."

Obituary

Annie Mary Little

Funeral service for Annie Mary (Trout) Little R.N. took place at Rockwood United Church on Saturday December 18 and was conducted by Rev. H.G. Rees. The late Mrs. Little was one of Rockwood's oldest and most respected citizens, and had lived until February 17, 1983 would have been 100.

Her love of, and concern for people was evident in a poem which she composed when she was 90 years of age and still living in, and caring for, her own home on Main Street. I love to see a little town with houses painted white. And as we arrive along the way, The windows shine with light. I love to see a little town where children safely play. And lawns are green and flowers bloom. To brighten up the day. I love to see a little town where friends and neighbors meet. With pleasant smiles and cheery words. When passing on the street. She was an inspiration, help and blessing to those whose lives were touched by hers.

Clergy Comment

It is easy to pay lip service to Jesus, but Jesus was real, he challenged our strength of character. Can we measure up? He gave us a moral code that is difficult to live up to but gives us true joy in the end. As we enter this New Year, I think it would be a good idea to look and reflect on our own faith and belief. Is it one of convenience or is it truly part of our very lives. We need to realize the temptation of worshipping a cute, divine infant or an old, divine adult. For it was a real person, Jesus, truly human as well as divine who came to save us. Jesus, as a human, shares our lives, our disappointments and joys, our weaknesses and strengths, and through his life of faithfulness to the Father, redeems us in our humanity that he really wins for us our salvation. We need to realize the temptation of worshipping a cute, divine infant or an old, divine adult. For it was a real person, Jesus, truly human as well as divine who came to save us. Legion news

Our Service Officer, comrade Vic Patrick (853-0006), advises that the Provincial Service Officer Mr. E.G. Traversy c.o. will be at our Legion on Monday, January 10 at 10 a.m. to answer questions and help with any problems. If you want an appointment get in touch with Vic. Our general meeting is next Monday night at 8 p.m., so start the New Year off right and come on out. A good turnout will get your executive. know you are taking an interest in the running of your Branch. Entertainment in the lounge will be starting again on January 15. You should note that this is a Saturday. The crowds have not been too big on Fridays and we will now have mixed darts and euchre on Friday nights and entertainment on Saturdays. Speaking of our chefs are already preparing their menu for the Annual Dinner given by the Branch to the members of the Ladies' Auxiliary. This will be done on January 15 and it is rumored that some members of the Executive (they do the serving) are already serving at home to be able to do a good job. We would like all the Ladies to take advantage of this gala evening and suggest you mark it on your calendar today.
