ALL THE CHOICE IN THE WORLD

Weight No Longer

"New Hope for the Holidays"

Hope Salazar will be celebrating the Holidays

101 POUNDS SLIMMER this year...

If you struggle as I did with the problem of being overweight... I let my stress as proof to see that there is a solution. I have tried every diet... even "miracle cure" you can imagine. I even resorted to having my mouth wired shut... After thirteen years I had all but given up when a friend told me about Diet Center. At last I found a program that really cared about me! They had answers to all my questions... I was able to keep my course until I could take control for myself. I had lost weight on other programs but was never able to stick with them long enough to do any real good. And what weight I did lose soon returned. Not so at Diet Center. The Diet Center Program is much more than just a diet. I learned a whole new way of living. I lost weight quickly and safely, without hunger, and I don't ever remember having so much energy. The Center is an honest service at a fair price and most importantly, it really works! I lost 101 pounds in just 14 weeks. That was over 9 months ago and I am still at my ideal weight. Thanks to what I learned at Diet Center, I know I will never be overweight again. This Christmas do something wonderful... for yourself. Call Diet Center and get the whole story from your counselor. That call will be your first step toward a happier, healthier, slimmer life!
