Rev. Doehring on study leave

by Mrs. G. MacDougall
In the absence of Rev. Carrie Doehring who was on study leave in Montreal, members of the Presbyterian Women took the church service on February 6. Maizie Lasby capably fulfilled the role of minister and delivered a fine sermon on "Faith". Marion Tubman was the organist and Dorothy Blacklock gave the prayer of dedication. Donna Henry delighted the Sunday Schoolers with a children's story and scripture lessons were read by Phyllis Blacklock, Jeanette Montgomery and Angelina Ramsay.

Debbie Marshall was hostess and Janice Gould was the co-hostess for a lovely baby shower for Cathy Adair and her little daughter Jennifer who was the recipient of some pretty gifts. Cathy expressed a sincere thanks to all the ladies who attended this delightful Sunday afternoon party.

At the February meeting of the Community Club it was decided that there will be no Christmas tree burning this year. There are new rental rates for the use of the hall and the ladies have set new rates for catering of meals. The next meeting will be on March 1 at 8:00 p.m.

Ted and Ev Barden were among a busload of skaters who travelled to Sault St. Marie for the Ontario Outdoors Speedskating Meet. This was for all ages and the Kitchener-Waterloo Club took a good share of the prizes. Ted took a first and third and Ev a second place.

\$600 to '84 Match

Eramosa Township Council will make two donations of \$300 each to the 1984 International Plowing Match committee. \$300 will be paid in 1983 and another \$300 in 1984. This grant will also aid in a Rural Beautification Contest.

Laura Wachal and Amanda Chesworth were presented with their "all-round" cards last Tuesday night in Edén Mills.

Rockwood

Rally cancelled

by Barbara Funk
The weather certainly let the Lions down this year, as you know by now, they have had to cancel the Rockmosa "100" for this year.

The Home and School's skating party at the Ball Park went ahead as planned last Sunday. There was a good turnout and all participants appeared to have a very good time.

Golf course on Duff Pit?

The J.C. Duff gravel pit at Silvercreek may become an 18 hole golf course. In the first rehabilitation phase a driving range, mini-putt course and practice putting greens are planned on 3.3 hectares of the total 43 acre parcel of land.

In succeeding phases a nine hole golf course would be built and later an additional nine, as the sand and gravel operation is ended and rehabilitation takes place.

The Duff pit is on the west side of Highway 7 opposite the Seventh Line and Highway 7 intersection at Silvercreek.

The land lies within the Niagara Escarpment Special Policy Area and is designated Industrial Extractive and Rural.

According to the planner's report the driving range conforms to the Esqueping Official Plan and is subject to approval of the NEC.

The NEC will be told Halton Hills council has no objection to the proposal.

Meanderings by Mabel Barkman

If you take a good look at your houseplants now you will probably find that they are beginning to perk up.

I think they know that the days are getting longer and this pleases them very much.

My amaryllis has come into gorgeous bloom and it is a delight to behold. The azalea that I have coaxed into living for a whole year has rewarded me with some beautiful blossoms. The hibiscus I received at Christmas rewards me every few days with a bright red blossom. The poinsettia is a mass of red and will probably remain that way until way into the summer.

My little Irish shamrock never seems to be without its white delicate flowers. Even the geraniums and impatiens are showing signs of blooming. Last week I put some pepper grass seed into a pot, as I did last year, and today it is ready to snip off and add to a salad.
