

## Join in the parade with Mickey Mouse

Mickey himself leads the way in a new Mickey Mouse March of Disney

characters and greeting ceremonies at Cinderella Castle each day highlight-

ing special activities in the Walt Disney World Magic Kingdom.

Stacey Bellamy, 4 years old, met Mickey Mouse at the Magic Kingdom on a recent visit.

While the vast new Disney showplace for discovery, information and world travel—Epcot Center—takes the spotlight this year, the Magic Kingdom continues as the world's most popular tourist destination with 13-million guests annually.

The world renowned theme park contains 45 adventures including Haunted Mansion, Pirates of the Caribbean and the thrills of Space Mountain and Big Tunder Mountain Railroad.

Guests may combine a visit to the Magic Kingdom and Epcot Center with the value and convenience of a three-day passport which includes admission to the attractions of both parks. The two are three miles apart and linked by monorail. Single-day tickets are available for either entertainment center.
