

### Car strikes hydro pole

A Guelph woman was taken to Guelph General Hospital Saturday after she lost control of her car in Rockwood and struck a hydro pole.

Guelph OPP say Joan Miller was east-bound on Highway 7 attempting to take the right hand ramp at the T intersection of Highway 7 when the accident occurred, about 10 p.m. Police estimate \$5,000 damage to her car.

### Chimney fire in home

Firefighters responded to a call about a chimney fire at a home on Scene Street Saturday morning. Reports state there were no injuries and no damage in the fire which started at 11.18 a.m.

### Police beat

## Shoplifter is nabbed

A 56-year-old Acton man who took a \$82.95 carburetor from the Canadian Tire store last Saturday afternoon, returned five days later to try and get a refund on his old carburetor. Police say he was arrested and charged with theft under \$200 on Thursday morning.

A car parked in the driveway on Church St overnight Thursday had \$6.50 worth of gas siphoned out of it.

Police have charged a 28-year-old Acton man with theft under \$200 in connection with shoplifting a roast worth \$12.50 from the IGA on Main Street on Thursday afternoon.

An 18 year old Acton male was charged with consuming liquor under the age of 19 Saturday morning at Highway 25 and 15 Sideroad.

A 23-year-old Acton male was charged with consuming liquor in his car on Cedar Rd. Saturday afternoon, police say.

A Sony F-25 microphone worth \$50 was stolen from a classroom in Acton High School sometime between 9 a.m. and 1 p.m. last Monday, Halton Region police report.

There were no injuries in a husband and wife dispute on Tidesy Ave. last Tuesday evening, police say. There was also no damage.

## Campaign underway

The 1983 Red Cross campaign got underway yesterday (Tuesday), and organizers have set a goal of \$5,000.

Ben Jongma, campaign chairman is confident the goal can be reached in light of last year's official tally of \$4,900. Some 200 canvassers will be out door knocking this month, led by 12 captains.

Acton and district is split into 213 areas, with each area consisting of an average of 14 homes. Some volunteers take on more than one area, and Ytse Verbeek consistently takes the same five routes so that the residents know him.

Jogma encourages everyone to give generously during this worthwhile campaign. While the local loan cabinet is continually improving, he noted, funds are always needed to keep up with the demand of items, as well as the other services available from the local unit.

## Annex door to be sold

Eramosa Township Council has agreed to sell the door from the school annex for \$100. A request for the door came from the Rockwood Village Trustees who want it for the town hall.
