

Ballinafad

Wedding ceremony in parents' home

Wedding bells were ringing in our midst over the weekend. Saturday afternoon April 16 the wedding took place between Joan Wright and Lindsay Gatto. Joan is the daughter of Mr. and Mrs. Grant Wright of RR 1 Georgetown, and Lindsay is the son of Mrs. Margaret Warner of Toronto, and Bernard Gatto of Nova Scotia.

Their marriage vows were exchanged in the living room of the beautiful farm home of the bride's parents. Pastor Randy Gregory of Grace Baptist Church, Scarborough, officiated for the ceremony. The bride wore a full length white satin gown with a train, and a veil with head piece to match. She carried red roses, daisies, babies breath. The maid of honour was her twin sister Janice. She wore a silk royal blue below the calf length dress, her bouquet consisted of pink carnations and babies breath. Other attendants were little

flower girls, Jennifer and Tera Gregory, twin daughters of the officiating pastor. They wore identical dresses in pale blue. The third little girl was Jennifer Brown, daughter of the best man, Randy Brown. She was dressed in pale yellow. All three carried nosegays of daisies and babies breath.

The mother of the bride wore a pale blue street length dress with a corsage of white orchids. The groom's mother was dressed in an ice blue street length gown with a corsage of pink roses. The groom wore a red rose boutonniere. His best man wore a white rose boutonniere. He was Randy Brown. The ushers were Barry and Dan Wright brothers of the bride. They also wore a white carnation in their lapel.

There were 100 guests at the wedding. Relatives of the bride's family were present from Clifford, Toronto, Unionville and Newmarket. Near-by

relatives present were Mr. and Mrs. Floyd Shortill and daughters, Nancy and Jean and uncle of the bride Grenfell Wright. Relatives on the groom's side came from Toronto and his father who flew in from Nova Scotia. About 50 friends of the bridal couple from Grace Baptist Church, Toronto, travelled to the farm in the church bus for the happy occasion.

When the ceremony was over, the bridal party and guests went the short distance to the Ballinafad United Church for the reception and luncheon. The bridal party had their special table which was centered with the wedding cake was made by the bride's mother and iced and decorated by neighbour, Gloria Roberts.

We extend congratulations to the young couple and wish for them much future happiness. The Ballinafad WI were pleased with the success of their

reception party held at the community centre on Friday night April 15. There were 25 tables in play. High scores went to Martha Neudorfer, Kay McMillan, Ruth Bert, and Duncan McWilliam. There were four lucky door prizes, they were won by Jean Ruddell, Amie O'Connor, Bud Snow and Robert Foster. Robbie Polo was asked to come forward to draw the lucky ticket for the quilt. The name was A. McClugham from Erin Heights. The WI appreciates all those who bought tickets, and to those who came to the euchre.

It was announced at the church service on Sunday, that Anniversary services would be held May 1 at 11 a.m. and guest speaker would be Rev. Jeff Davison of St. John's UC Church Georgetown. St. Andrews Church service in Georgetown will be cancelled in order to attend Ballinafad Anniversary service.

Job bait

A carrot is being dangled in front of the noses of Ontario's business and farm operators, to stimulate the creation of jobs for the youth of this province.

The bait is being provided by the Ontario Youth Employment Program under the Ministry of Municipal Affairs and Housing, in the form of wage subsidies. Eligible employers will receive a grant of \$1.25 per hour to help cover wages for up to 20 weeks.

The program is designed to assist youth between the ages of 15 and 25 through the creation of new full-time job opportunities. Grants will be available to employers, in business for at least one year, from April 11 to Oct. 16.

Funds for youth employment will only be supplied if the position is a newly created one, if the job would not have existed without the grant and if the job created is in addition to normal seasonal work.

Existing employees cannot be affected by the creation of a new job. Those hired under the program must be employed for at least 25 hours a week and no more than 40 up to a maximum 4,000 hours.

Employers considering job creation for unemployed youth should write to the Ministry of Municipal Affairs and Housing or call toll-free, 1-800-268-7592.

THE NATIONAL BALLET OF CANADA

UNION GAS

Start cutting next winter's heating costs now.

A abundant natural gas is a clean and economical way to heat your home. In fact, it's more economical than oil. Have you been thinking about converting off-oil? Remember: the Federal Government, through COSP, will rebate half your heating system conversion cost, up to \$800. With another busy season over for us at Union Gas, we can help you start cutting next winter's heating costs now, and without delay. Or do you have a tired, old, gas furnace that needs replacement? Either way, clip the money-saving offers which interest you. Place them beside your telephone. And call us at The Gas Line: 1-800-265-0562. It's free of charge. And we'll have a professional Union Gas representative call you to arrange a Shop-at-Home appointment at your convenience. Not yet off-oil? Already heating with natural gas? Either way, there has never been a better time for you and Union Gas to get together.

This set-back thermostat won't set you back a penny extra. Order a conventional natural gas furnace from Union Gas before June 30 and you'll get a \$164.95 Enerstat Microcomputer Thermostat (manufacturer's suggested retail price) at no extra cost. Program up to 4 automatic temperature changes every 24 hours, including set-ahead in the morning, set-back at night or when no one's home. What an energy-saver!

Buy now. Pay later. Convert off-oil now with a natural gas furnace or a gas conversion burner. Or replace your old gas furnace now. Order between April 1 and June 30, with installation by August 31. And Union Gas will delay billing you for equipment and installation until November. Of course, natural gas must be available on your street, and you'll have to meet our credit approval.

Now, high-efficiency costs a lot less. High-efficiency natural gas furnaces are 47% to 55% more efficient than our best conventional gas furnaces. Now you can buy high-efficiency for hundreds of dollars less than last year. We're offering 3 furnaces starting at under \$2,000, plus installation. And by ordering from us before June 30, you'll get a \$100 rebate direct from the manufacturer.

Get more than hot water with a gas water heater. Switch to a natural gas rental water heater when converting your home heating off-oil (order before June 30) and Union Gas will rebate our company-approved installer up to \$90 towards the cost of your water heater installation. And we'll give you a free, wallet-sized Sharp calculator, too. This offer is also available to Union Gas home heating customers now using an electric water heater, who decide to replace their old gas furnace now.

Our lowest-cost off-oil option now costs \$50 less. If your old oil furnace is up to it, keep it and just replace its oil burner with one fuelled by natural gas. With the \$50 trade-in Union Gas is offering for old oil burners, a \$265 gas conversion burner will cost you \$215 plus installation, when ordered by June 30. What's more, the Federal Government, through COSP, will rebate half the conversion cost. So our lowest-cost off-oil option could cost you about \$500 or less.

We're bringing home the future.
