We Have A "New Look!"

We needed additional space, and after much thought, we decided that we did not want to move, but rather to continue to serve your insurance needs from the same downtown location.

SO...

We have added an addition (of which we are proud) to our building at 8 Wesleyan St., Georgetown, and, increased our staff. We are anxious to continue to provide sound, personal insurance service from the same location.

Drop in and see our new facilities and have a coffee with us.

Regards
Rick West & Staff

**Badminton players
find Peel tough**

The champions from the Halton Badminton finals took it on the chin last week as they advanced to the Peel-Halton bird championships.

Peel dominated the high school finals sweeping the first three positions in each category except the men's doubles where the Georgetown team of Mike Mitchell and John Scott placed third.

The two Acton squads competing both managed one win in competition. The men's doubles entry of Harold Koehler and Tony Wright topped Jimmy Njoo and Brian Burke of J.A. Turner in their opening match, coming through after a grueling session with wins of 15-12, 14-18 and 15-8. In their second match the Acton duo met

Georgetowners Scott and Mitchell and emerged on the short end of the score. In consolation play the team from Morningstar proved too tough.

The ladies' doubles squad of Sandra Brundie and Andrea Jenkinson had their hands full in their opening match as Vanessa Bertrand and Sandra DiOrto of Brampton Centennial swept to a 15-2 and 15-3 win. The local team got it together in their second match of the day, defeating Patti Roberts and Debbie Quinn of M.M. Robinson but their consolation semi-final opposition from Erindale was too much.

The Peel-Halton's bring to an end the badminton season for Acton High as only the top two teams at each level advance toward the Ontario finals.
