# Legion happenings

by Harry Norton  
The 33rd Biennial Provincial Convention of the Ontario Provincial Command of the Royal Canadian Legion was held May 15 to May 19 in Niagara Falls. Your President Jim Higgins and comrades Fred Allen, Ed Footitt, Harry Norton, Alex Waldie and Earl Waller attended. There were 1,244 accredited members, including the six from Branch 197, and 686 guests, registered for the convention.

A new Provincial President and the rest of the Executive Committee were elected and installed and following the presentation of the annual reports of all departments, some 71 resolutions received from Branches for changes and additions to the Constitution and Laws of the Legion were presented, studied, discussed and disposed of either approving, amending or disapproving. It was quite an educational experience to hear the views of branches from all over the country.

The 34th Biennial convention will be held in Hamilton in 1985.

Closer to home let's not forget Decoration Day on June 5. I don't think any plans have been made to date for a parade but the Legion and the IOOE will both be marking the graves and planting flowers. Rain or shine the Legion will not forget but it would sure be nice if this community activity could have greater participation from all Service Clubs and citizens. Come on out and bring your children.

We know most of you are waiting for some nice weather so you can get out and plant the garden and some flowers but don't forget we still have Wednesday night Bingo and on Saturday night Marion's Country Band will be playing in the games room. Take a night off and come on out.

Monday, May 30, there will be the final meeting of the outgoing Executive so all members of the 1982-83 Executive as well as the 1983-84 Executive are asked to come out. The meeting will be as usual at 7.30 p.m. in the Board room.

## Cash instead of land is wanted

Eramosa Township Council is willing to accept cash in lieu of parkland for a proposed residential and commercial development in Rockwood.

Stonebarn Holdings Limited representative Bruce Donaldson attended a recent council meeting and discussed the 31 lot subdivision. Donaldson requested council make a decision about the cash or the parkland.

## Campers complain

Guelph OPP report several complaints of loud noise and partying at the Rockwood Conservation Area over the weekend. Police say the complaints were mainly from other campers who were trying to get some sleep, but were kept awake by their neighbors.
