Ospringle Leadership pin presented

by Doria Fines

Achievement night for the 4-H project Looking Great, Feeling Great, was held at Eramosa school on May 16. The Mimosa Magic Mirrors set up an exhibit on Fitness for life. Vicky Cargill and Estelle Rulton were commentators on the display. Mrs. Margaret Goring, leader of Mimosa Group 1, was presented with a five year leadership pin.

Group 2, The Mimosa Bod Squad, wrote and presented a skit on Happiness is Keeping Fit. There were nine girls in this group, with leaders Mrs. Shirley Rowan and Mrs. Joy Cole.

On Thursday evening, the girls from both 4-H clubs, presented their exhibit and skit for the Mimosa Women's Institute, in the basement of Mimosa United Church. They had their record books on display. The roll call for the meeting was to perform an exercise and explain its benefit. After the ladies showed what they could do, the girls demonstrated some of the exercises they had learned in the club. I think we all would benefit from some of them. The girls served lunch at the conclusion of the meeting.

The Ospringle Guides braved the downpour on Thursday afternoon, to help with the delivery of the bedding plants. Although the

Hoselen Stull and Paul Hasselfeldt found the rabbits fascinating at the Acton Agricultural Society lawn sale Saturday morning on 25 Sideroad.

Driver in hospital

A Guelph man was admitted to Guelph General Hospital last Tuesday with major injuries after a single car crash on Highway 7 near the Guelph - Eramosa Townline.

Guelph OPP say a car driven by Shirley Nellis RR 1 Acton, was eastbound on the highway when it stopped to make a left hand turn. A truck was coming toward her, so she remained in her own lane.

Meanwhile, two cars passed her on the shoulder, the second of which lost control, crossed in front of her and then hit the shoulder on the opposite side of the road, and hit a bank.

Driver of the second car was Stanley Thompson, 73, of Guelph.

The Nellis vehicle was not hit in the incident.
