

It was a family affair for the Young family of Acton. Angela, Derek and Cecil check the motor of their car before the judging began.

George and Betty Coulson, Burlington, took top awards in their class at the show. They walked away with the Best Pre '48 and the Best Rod.

This week thru the lens
Halton Hills Street Machines Car Show
Lead of Big Brothers

Brian Farrell was at the car show with his '69 Dart.

Chris Johnson and Maura Shaftoe did some last minute polishing up of their '66 Nova SS.

Joe Steinbach won the Motions Choice, and awards for best paint, engine, 60-70, and interior.

Earl McCoy stands proudly beside his 1966 GTO at the car show Sunday.

Bill Cook and Dorinne Wagner cooked up a mess of hamburgers at the car show with the proceeds to go towards Big Brothers.

Nassagaweya WI Help Robbie Bowers go to Scout Jamboree

by Debbie Timbers
The May 11 meeting of the Nassagaweya Women's Institute started out with some very good ideas on how to make the Institute more interesting.
This was the annual planning meeting and everyone was in the mood to volunteer their time for the many different committees throughout the year.
The institute would like to congratulate Robbie Bowers, the son of former member Dale Bowers, who was one of three Boy Scouts chosen from the Halton area to attend the World Boy Scout Jamboree in Calgary this summer. Robbie will be receiving \$100 from the Institute to assist him in paying his expenses for the trip. We all hope that Robbie has a great time.
On June 8 a display of quilted articles made by the 29 groups taking the Ministry of Agriculture quilting course, can be seen at the St. Paul's United Church in Milton from 11 a.m. to 8 p.m. There will be many fine works of art there, and all are welcome to come and see them.
The Nassagaweya Community School Association is holding a Fun Fair, June 18 from 1 to 4 p.m. at the Brookville School. The Nassagaweya Women's Institute will be presenting the Lamppoon Theatre Puppet Show that afternoon for the children. There will be three programs presented.
The June meeting will be held at the home of Mrs. Mary Small at 8 p.m. The guest speaker will be Carolyn McDonnell, National Co-ordinator of the Beef Information Centre. Information can also be obtained from Mrs. Katherine Garwood at 854-2470.

Letter Do something about stink

Dear Sir:
In regards to the Stink in town, especially the Glenlea area the last while at night. This is a disgrace to the town. When taxpayers cannot open a window in this wetting heat to get a breath of fresh air without becoming sick from the stink, things are bad.
If a farmer on the edge of town created half as much smell you can rest assured the good town fathers would very promptly have something done about it, even if it meant putting him out of business.
Stink is stink no matter where it comes from and I think the Town owes it to the taxpayers to do something about it.
An Irrate Taxpayer
L. J. Smith

Sunroom approved

Donald and Sharon Archibald have received permission to add a sunroom to their 35 Willow St. South property.
Halton Hills Committee of Adjustment approved the addition and a minor variance for the rear yard setback requirements at a meeting last month. The new rear yard setback will be 5.334 metres instead of the required 10.67 metres. Also the Archibalds plan to enclose their existing sunporch. The new front yard setback will be 2.106 metres instead of the required 7.62 metres.

Graduate Explosion, just cans of paint

Anita Woychesko of Rockwood received her Bachelor of Business Administration degree from Wilfred Laurier University during recent convocation ceremonies in Kitchener.
Police aid victim
Halton Regional Police looked after someone who collapsed at Prospect Park last Tuesday at 8.16. Volunteer firefighters were called to the scene, but were not needed.
Volunteer firefighters were called to Lot 6, Con 6 of Erin Township last Tuesday after there was a report of an explosion. Deputy fire chief Bob Hyde said there was some used paint drums at the scene. There was no damage.
