

1983 DODGE RAMPAGE

What's up front

carries a lot of weight.

Rampage is the big value for the long haul.

Sure handling front wheel drive is right where Dodge Rampage begins to get exciting. Sleek, aerodynamic styling sweeps over the luxury interior towards the double walled pickup box that packs a hefty 1,145 pounds of payload. Rampage is the small truck that really has it all: economical price tag, fuel efficiency (uses regular leaded or unleaded) rack & pinion steering, driver and passenger comfort up front, strong unitized construction, a load-sensing brake system. Rallye road wheels, steel belted radials, mirrors, mouldings, bucket seats with dual recliners, clock, halogen headlamps, carpeting are all standard. What's above standard is the look, the feel, the Ram tough performance and the 5-year, 80,000 km. Chrysler no-cost engine, power train and anti-corrosion protection package. All together Rampage is the small truck that packs a whopping load of pickup value for the long haul - ready for you now at Dodge and Plymouth dealers today!

**NO-COST PROTECTION
5 YEARS OR 80,000 km**

Engine and Powertrain.
With current industry repair costs running at \$600 for a rebuilt transmission, \$1,000 for a major engine repair, Chrysler's Protection Plan provides vital important coverage. The engine block, transmission case, drive axle and every part inside them is covered for 5 years or 80,000 km whichever comes first. Subject to a \$75 deductible fee for each repair after 1 year or 20,000 km.

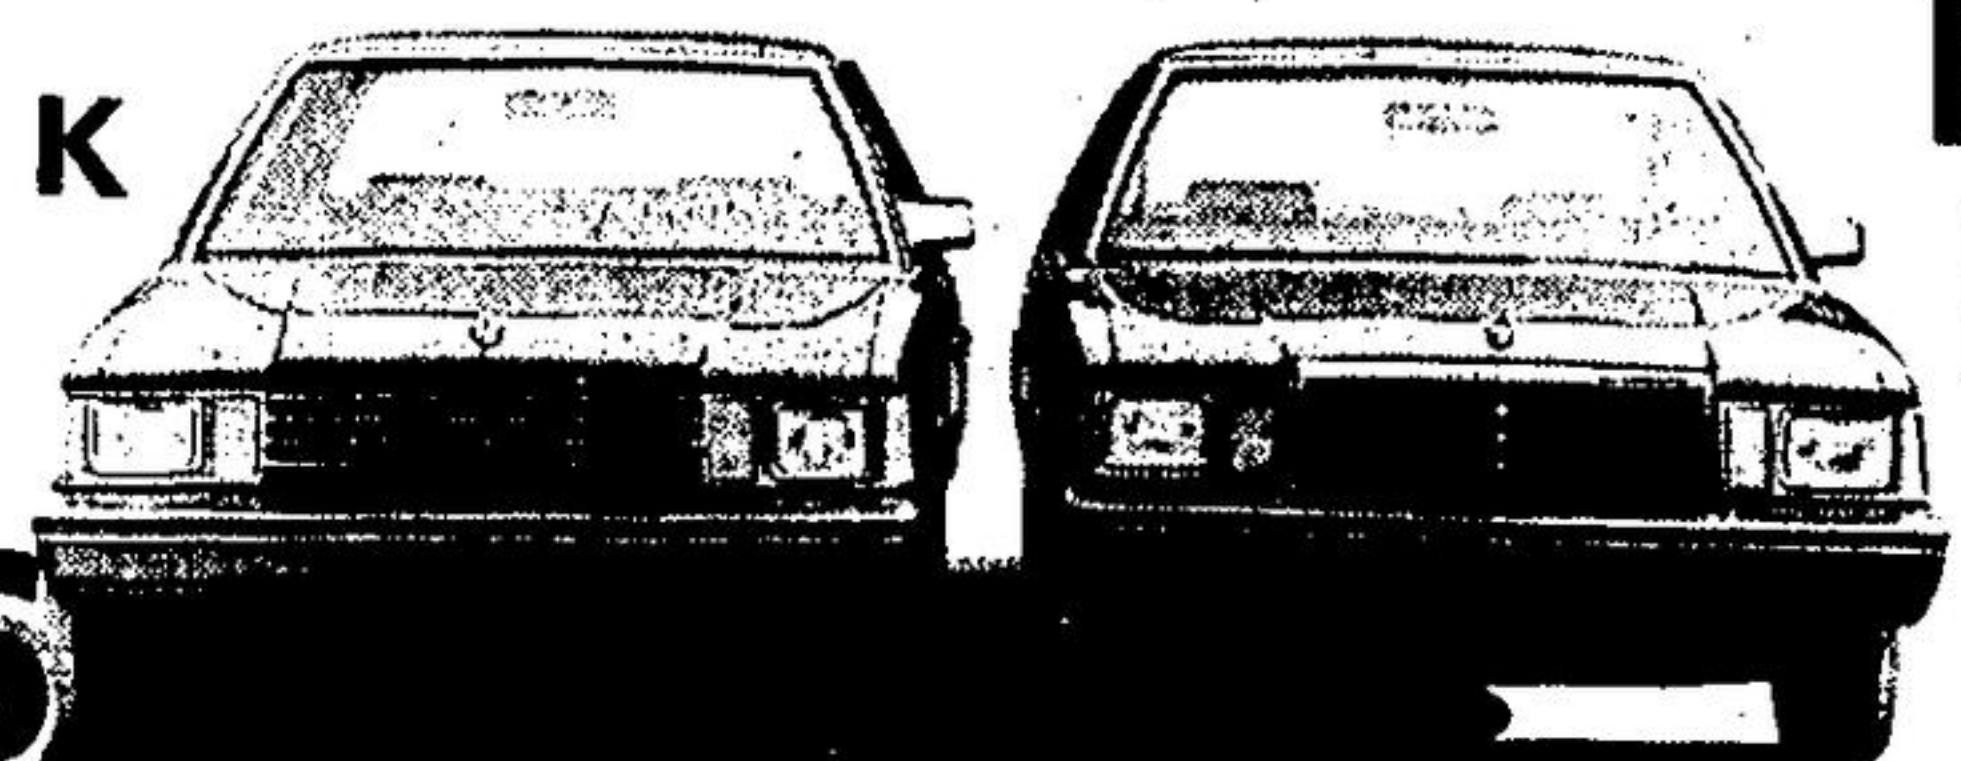

Outer Panel Anti-Corrosion
Chrysler helps keep your Rampage looking the way you want it to look. If the outer body shell of your Rampage develops rust perforation in 5 years or 80,000 km of normal use, it will be repaired or replaced at no cost.

Some items illustrated may be optional at extra cost.
*Base Vehicle Price. Dealer may sell for less.
Taxes and transportation not included.
