

'Round Robin

with Robin Inacoe

Next Wednesday some 100 to 150 golfers will tee up for the First Annual Mayor's Golf Tourney for Drug Abuse.

Mayor Pete Pomeroy has endorsed this cause and is working hard to help raise funds for the program through the tourney and donations are already rolling in.

The Brampton Real Estate Board, of which Georgetown and area is a part recently handed over a cheque in the amount of \$1,350 to the cause. The money is one of the largest single donations the Brampton Board has made in Georgetown but it is their way of saying they are part of Georgetown and Halton Hills and they want to help too. They donate an estimated \$5,000 a year to various causes.

The money the Brampton Real Estate Board donated was half of what they raised at their own golf tourney through 27 corporate sponsors. The Board took two charities to donate to and Mayor Pete's For Drug Abuse was one, the other being Multiple Sclerosis Society of Brampton.

Ed Allen brought the Optimist charity before the Brampton Board and got unanimous approval for the donations to help the kids of Georgetown. Many of the Brampton Board members can be found on local service clubs and council.

The program itself was one that the local Optimists formed a couple of years ago. In each invitation to the June 29 Golf Day an accompanying letter told of how the DAC (Drug Abuse Committee) got its start and why.

The Drug Abuse Committee was formed in October 1980 by a group of Georgetown Optimist Club members and their wives who were concerned about the growing abuse of alcohol and drugs by the community's teenagers.

The main objective of the committee has been to try to prevent drug abuse through education and awareness while at the same time to assist those seeking help with finding information and counselling.

Help Pete help the Optimists Drug Abuse Program by contacting Mayor Pomeroy's office, Ken Bellamy at the Independent or John Henderson at the North Halton pro shop. Entry fee is \$50.

It seems that several area residents are showing an interest in the Acton Biathlon this year.

The race, run by the Acton Y's Mens Club, pits a team of two against a ten mile track with each participant riding a bike five miles and running five miles.

The Biathlon will take place Sunday, July 3, beginning and ending at the Acton Community Centre. Entry fee for the event is \$1 per participant before June 28.

Registration forms can be picked up and returned to the Recreation Office in Georgetown or the Town office in Acton.

Desmond's drop pair

Things were back to normal this week in the Acton Industrial Fastball League as their regularly scheduled games went off without rain.

In reported games this week the Bears continued to roll along picking up a surprising 5-5 tie with R.J.'s Roadrunners while Canadian Tire topped Desmond's in a 3-2 thriller.

The Royals came out 5-3 winners over Canadian Tire this week while the Roadrunners handled the Acton A's 8-1. Halton Hills Furniture clubbed Desmond's 9-3 in the other contest.

The Roadrunners counted five first inning runs in their game with the Bears but it was all they would get. The Bears came back with a single fourth inning tally and four more in the fifth for the point.

In the Roadrunner win over the A's they used two runs from Glen McKenzie and Ron Hachey to fuel a four run third and three run fourth frame.

Three second inning runs proved to be the difference as the Royals scored a 9-3 win over Canadian Tire. Dave Lawson was the only man to score twice reaching base safely three of four times.

Doug Pratt, Steve Waring and Ray Williams scored for the Tire squad.

In Canadian Tire's other match Williams scored twice and Floyd Foster once in a 3-2 win over Desmond's.

Desmond's tied the score at two briefly in the top of the fourth inning with Dave Wilson's two run homer but a single tally in the bottom half provided the win.

Home runs by Tom Shannon and Ken Fidin sparked Halton Hills Furniture to a 9-3 win over Desmond's. Furniture picked up five third inning runs and then added singles in the fourth and seventh and two in the sixth while allowing Desmond's one in the third and two more in the sixth. Gord Allan, Karl Killingbeck and M. Quinn crossed the plate for Desmond's. Quinn was running for batter Roger Levesque.

Acton continues at Prospect Park tonight (Wednesday) and Thursday at 6:30 p.m. and Sunday from 10 a.m. till 6 p.m.

Halton Rural Atoms claim tourney title

The Acton Halton Rural Atoms claimed one of three tourney titles up for grabs this past weekend as the Acton Minor Softball Association held their annual Boys' Tourney. This coming weekend the Girls will take to the diamonds.

Last week four boys' teams in atom, squirt and pee-wee divisions, squared off looking for some silverware.

Acton Halton Rural Atoms claimed their title defeating Brookville in their opening game and then disposing of Eramosa in the final. Eramosa reached the championship by edging Glen Williams. In consolation play Brookville topped Glen Williams.

The other two titles went to the Glen.

In squirt action the Glen topped Acton in the opening round action while Eramosa outlasted Brookville. Acton topped Brookville in extra innings for the consolation

crown while the Glen took Eramosa rather handily in the championship match-up.

In pee-wee action the local Acton Halton Rural squad reached the final defeating Puslinch while the Glen topped the Acton Tri-county team. In consolation action the Acton Tri-county entry disposed of Puslinch, but the Glen was too much for the Halton Rural squad.

This Saturday four area pee-wee girls' teams and four bantam squads will take to the diamonds beginning at 9 a.m. Acton meets Omagh in a 9 a.m. pee-wee game while Milton and Glen Williams meet at 10:30 a.m.

In bantam action Acton meets Glen White at 9 a.m. while Carlisle tangles with Glen Green at 10:30 a.m. Consolation match-ups at 1 p.m. with the finals at 2:30 p.m.

The atom and squirt girls tourney will be arranged for later in the year.

Atoms score 30 in two Limehouse games

The Acton Nellis Construction Atoms pounded Limehouse Blues 16-4 last Tuesday evening.

Brad Hayter and John Katsilleris shared the mound duties for the locals, combining for 13 strike-outs.

The team then went on to blank Limehouse Golds 14-0 in action last Wednesday. Katsilleris hurled the shut-out for the locals in this one.

The Nellis Atoms then took championship honors in the Acton minor ball tournament on the weekend.

In their first game Acton took Brookville by a 6-2 count.

Steve Cullen and Hayter cracked doubles in the game, while Katsilleris and Clayton Leys connected for singles. Ryan Masales executed a timely bunt as well. Runs scorers were not provided.

In the tournament final, Katsilleris and Hayter combined to strike-out 12 Eramosa batters on the way to an exciting 8-7 win.

Hayter and Cullen pounded out triples in this game.

Katsilleris received the Atom Tournament M.V.P. award.

The team will next be travelling to Glen Williams for a tournament July 9-10.

Bantam pitchers perfect in tourney

It's not too often you see a perfect game pitched in fastball, but the Acton Thomas' Video Bantams did just that on the weekend in the opening game of a Bracebridge tourney.

None of the team's three hurlers can take credit for the game as all three helped out in the win. Jon Hammer pitched three perfect innings to start, before giving way to Kevin Lobinger, who added two more before Randy McIntyre cleaned up the no hit, no walk, errorless performance in a 10-0 rout of Don Victoria, a Toronto based team.

The local squad played solid ball in the three game round-robin event, winning two games and losing one as they just missed advancing to the tourney final.

The Thomas team played in a division with Don Victoria, Niagara Falls and Burlington, losing 3-1 to Niagara Falls and topping Burlington 7-6.

The loss to Niagara left the locals with one defeat while the Falls went through the round unbeaten to advance.

In their opening game, the 10-0 perfect pitched contest, the local squad did most of their damage in the bottom of the third inning as they used eight base hits and a walk to their advantage. David Haynes, Chris Cooney, Cyril Nibbs, Lobinger,

McIntyre, Mark Pries, Jason Rogers and Hammer all hit safely and crossed the plate.

The other two Acton runs came in the sixth inning, as Rogers led with a double, scoring as Haynes and Steve Wagner singled. Haynes also reached home.

Their second match was the hard fought 3-1 loss to Niagara Falls. The Falls got to Acton starter Hammer in the top of the fifth exploding for all three of their runs after four scoreless innings.

Acton gained one back in the bottom of the inning as Heath Norton singled and scored, but it wasn't enough as Thomas' fell a 3-1 count. Hammer suffered the loss from the mound giving up eight hits. Acton picked up three hits as the bats went silent. Norton counted one with Hammer picking up the other two.

Acton needed some help to reach the final as an Acton win over Burlington and a Don Victoria triumph over Niagara Falls in the final round would have given the locals the nod on a run for and against ratio, but Don Victoria couldn't oblige. Acton came from behind for a 7-6 win over Burlington.

The Thomas squad fell behind 2-0 in the opening inning and trailed 3-2 after two, before Burlington jumped out 5-2 in the third.

Acton rallied in the fifth, scoring five times on four hits. Jeff White, Lobinger, Hammer, Pries, and Nibbs all scored giving Acton the lead. Burlington came back with one in the sixth, but left the tying run stranded at third in the final inning.

McIntyre picked up the win, replacing Lobinger in the fourth inning. Hammer hurled the last inning for the save.

Thomas' fall to third spot

The Acton Thomas' Video Bantams dropped to third place in their seven team inter-county Softball League Monday night losing a 3-2 decision to Galt in the battle for second.

The loss drops Acton to seven wins and four losses while Galt sits with only two, one to Acton in the opening game of the season.

The Thomas team had its chance in the sixth, loading up the bases with none out, but managed just a single run to go up 1-0.

Galt rallied with three in the bottom of the inning, forcing Acton to come back with a solo run in the seventh, stranding the tying run at the plate. David Haynes and Jeff White crossed the plate for Acton.
