

This week thru the lens

One of the coolest places, and also the prettiest around is Rockwood Conservation Area. With all this great summer weather the park is packed with campers, canoeists, swimmers, picnickers, sun bathers, etc. every weekend. People come from the area as well as from the city to enjoy the lovely park and its fine facilities. With beaches on Lake Ontario closed in some locales because of pollution, Rockwood could become an even greater haven for visitors.
