A TIDY CAR SUNROOF IS GUARANTEED FOR LIFE.*
HERE'S WHY.

- The Outer Seal:** A special closed-cell foam gasket, guaranteed to prevent leakage for as long as you own your car. It's an airtight, water-tight seal.
- The Inner Seal:** A patented compound that will not bond to the glass. It will not wear away with use or leak.
- Solar-Reflectant Glass:** Tidy Car's tempered glass contains a stainless steel, ionized layer bonded to the inside surface. Our solar-reflectant glass allows only 7% of the sun's heat to enter your car.
- The Latch:** For safety and convenience Tidy Car sunroofs use only one large latch, with 4 positions on most models.
- Glass Removal:** There are no pins or bolts to remove or store. And once the glass is removed, there are no hinges or latches left hanging.
- Inside Trim:** Tidy Car installs with no screws or fastening devices exposed. It has a low, clean original equipment look and feel, inside and out.

Was that not a beautiful rain? And did it just happen along? Or does the Lord of all the earth send it? The written Word of God, the Bible, says: He sends the rain upon the just and the unjust. What does Jesus mean by these words? Surely everyone knows what rain is. But people begin to divide themselves into different pools when their reactions to the Sender of the rain pitter-patter on their awareness.

Jesus, the creator with the Father and the Holy Spirit, says that God sends the rain. Jeremiah, the prophet of the Lord asks: Are there any that can cause rain? Then, as now, the answer blew only in the wind. And if anyone is thinking about seeding clouds with chemicals by means of air-craft... on whose air do they fly? By whose laws of aerodynamics? Whose chemicals do they use? Whose clouds do they seed? And whose rain comes down upon induced temperature change?

So God uses the reactions of people to rain to show people that they are in different pools. Jesus names them: the just and the unjust. The unjust complain about the rain; it does not fit their schedule or vacation time. They selfishly would control it, if they could, for their own convenience: NO rain all summer if they all had their way week after week.

The rain was God-sent. The rain was a witness to His faithfulness. The rain was a fulfillment of His promise. God's rain watered His garden. His rain gives seed for next year and food for man and beast. And the just respond in thankfulness.

Listen to the poet of old, Psalm 147: 7-9: "Sing to the Lord with thanksgiving, make melody to our God upon the lyre! He covers the heavens with clouds, he prepares the rain for the earth, he makes grass to grow upon the hills. He gives to the beasts their food, and to the young ravens which cry."
