**Bantams play tough**

The Acton Thomas' Video Bantams have been having trouble finding Inter-county Fastball League teams to play these days. Guelph cancelled a pair of games last week and Hespeler showed up for a Sunday night game with only eight players. Monday night the Thomas team was rained out in Kitchener.

The local 15 and 16-year-olds did manage to get a couple of contests under their belts however, as they prepare for the opening round of their Ontario championships, entering the Limehouse Men's Fastball Tourney on the weekend.

The Squad was a last minute fill in entry against some of the top men's teams in the area and provided a few surprises before dropping out of the event.

In their opening match the Acton team met up with the Georgetown Industrial League leaders from M&M Pro Sports, dropping a 3-2 decision in the bottom of the sixth after holding a lead earlier in the game.

Their second match was against Limehouse's Ballinad Blue jays. This time Thomas' fell 3-2, allowing the opposition a run in the bottom of the seventh.

Against M&M Pro Sports the Thomas team struck early. Jeff White led the game off with a walk and later scored as Randy McIntyre cracked Keith MacKinnon for a single.

M&M tied the match in the bottom of the inning as Ron Osborne and MacKinnon came up with back to back base hits.

Acton regained the lead in the second as Mark Pries walked and scored as Jason Rogers and White came up with base hits.

M&M tied the contest in the third and the two teams stayed that way until the bottom of the sixth when Paul Sargent touched the plate after a throwing error.

Jon Hammer allowed eight hits on the Thomas mound while the Video team touched MacKinnon for six.

In their second game of the day the bantam squad had trouble getting out of the gate, allowing Ballinad a 1-0 lead through four innings, before coming to life. Pries and Roger belted back to back doubles, scoring as White picked up a base hit.

Ballinad tied the count in the bottom of the inning and won it with a two out run in the seventh.

The Thomas squad has a busy weekend ahead meeting Jordan on Thursday in the first game of the OASA play-offs. The two squads meet at Prospect Park on Saturday at 2 p.m. for game two. Friday the local squad will travel to Preston for a league game.

**Mosquito**  
 Acton I Mosquitos played a strong game, but a letdown in the last five minutes permitted opposition Grand Valley to take a 4-3 win last week.

Acton's Sean Sears scored a penalty kick near the end of the game to register a hat-trick and tie up the contest. However Grand Valley came right back with the winner. Winston Pun, Roger Dewinter, and Jonathan Vliestra all played well for the locals.

**Bantams**  
 The Acton Optimist Bantams had a pair of games last week and both were high-scoring affairs.

Acton dropped its first game 5-4 in Georgetown.

In their second match, the Bantams defeated Milton 8-4.

Simon Entwistle and Kevin Galloway both booted hat-tricks in the game for the locals, while Bruce Canary and Anthony Tillett added the other markers.

Peter Wright and Steve Inotal played well on defence for Acton, as did Chris Stewart in goal. Stewart left the game with an injury when the score was 8-1.

Next game for the team is scheduled for Thursday (tomorrow) at 7 p.m.

**Mini-Squirts**  
 The Eagles got past Bob's Angels 4-1 in Mini-Squirt play last week.

The lone goal of the game was pocketed by Adam Forrest.

In Queen's Tire's other match, they defeated the Eagles 4-2.

**Major Squirts**  
 Can Am pummed Glasvan 6-0 in Major Squirt action last week.

Ryan Brain rifled in a pair for Can Am in the contest, with Tom Ford, Kevin Tribe, Scott Foster, and Adam Forrest contributing singles.

Can Am went on to draw 2-2 with Rockwood in further play.

Steven Pontbriand and Forrest found the mark for the locals in this one. Matthew and Ryan Brain played well in the game.

Rockwood beat Jandel 2-1 in Major Squirt soccer while Jandel also dropped one to Pineview Blizzard—this time by a 3-1 count. The Pineview Blizzard shut-out Glasvan 3-0 another game.

 From Pauline McNelly

Don't throw away that old garden hose. Cut into sections and sit in a bucket. Use the blade on a saw to cut. Improve the grip on your tools and even wash the wet handles of a wash basin.

No one in 100th Street of you "like" them away. I'm kidding. Clean them up on an ant trail or wherever you find evidence of them. They can't stand it.

Test baking powder before you use it. Put 1 tsp into a cup hot tap water. If the mixture doesn't bubble vigorously, it's no longer active. Presented as a service to the community by:
