

Dublin WI

Hold annual picnic

The Dublin W.I. met at the farm home of Mrs. Verna Murchison for their annual picnic.

A pot luck supper was enjoyed by all under the shade of Mrs. Murchison's lovely big trees. Games and contests were held after supper. Bingo was won by Mrs. Edna Nellis, Mrs. Betty Armstrong and Miss Wendy Norton. Kick the shoe was won by Mrs. Barb Wilson. A tie between Mrs. June Hunter and Mrs. Murchison took place when they dropped clothes pins into a milk bottle. They both received a prize. A Kitchen Scramble contest was won by Mrs. Norton. Guess the weight in grams of a bag of candy was won by Mrs. Evelyn Near and Mrs. Marion Diamond, so the bag of candy was divided between them. The committee in charge of the fun and games was Mrs. Betty McIntyre, Mrs. Puth Kranendonk and Mrs. Armstrong.

We all moved indoors where the meeting was started. Since our secretary was going to be late, Mrs. Kranendonk was nominated to take notes until the arrival of Mrs. Jean McLean. Some of the 4-H girls from the two clubs attended. We were informed that the next 4-H club is called: Looking Great, Feeling Great.

A letter from Rev. Gerald Pennie was read requesting donations of money for the Miller family who lost their husband-father in a recent fire. A donation will be going out soon.

Since this is Acton Fair's 70th anniversary, organizers want lots of floats in the parade. Dublin has decided to put one in. Mrs. Norton, Mrs. Hunter and Mrs. Mairy Lasby are in charge. We are also having our usual booth at the fair. Mrs. Nellis and Mrs. Armstrong are in charge of the display and this year the theme is "The Old Homestead".

A large sum of money was handed over by Mrs. Wilson from recent catering that her committee has done. North Halton was responsible for four people to man a booth at the Ex this year on August 27. Some of the ladies volunteered to do this job.

A leader's work shop on cooking with left-overs is to be held on Oct. 27 at Hillcrest United Church. A vote is to be taken at next meeting if we are interested in participating. Roll call, a job I always put off until tomorrow, was answered by 16 members. Suggestion for a bus trip in the fall are to be given at the next meeting.

Collection was taken and Mrs. McIntyre gave the courtesies.

UFFI

Assistance Program for UFFI Homeowners

New Registration Deadline September 30, 1983

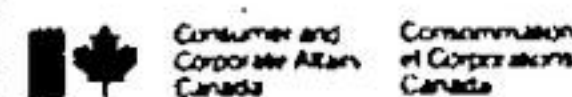

If your home is insulated with urea formaldehyde foam and if you want federal help, you must register with the UFFI Centre by the end of September.

The UFFI Program provides:

- current medical and technical information
- financial assistance up to \$5,000 tax-free

For more information, write:

UFFI Centre
Hull, Quebec
K1A 0C9

You heat your home with oil, and you like it.

It's safe, dependable . . . the service is good . . . and now you can save money by using less oil and still be as comfortable as you like to be.

Our company, in association with the Home Energy Group has developed a programme of energy conservation for you, our customers, which will identify low cost, permanent ways of reducing your energy consumption.

Research indicates that a combination of low cost home improvement and oil burner tuning or updating can cut your heating bills significantly and inexpensively.

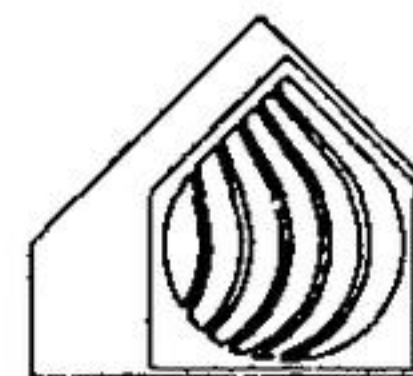

Call us for your copy of 'Energy Conservation and Your Oil Heated Home', our complete guide to saving money in your oil heated home.
