## Oddballs win six of nine tournaments this year

The Acton Oddballs have wrapped up another season, winning six out of nine tournaments this year.

The Oddballs were fiercely competitive in Arthur on the Labor Day weekend, but were defeated by stiff competition.

Game one, against the Fergus Pitfalls, gave the Oddballs a good start to the tournament when they won the match 10-7.

Lance Doucette led the Oddball's offensive with three home runs.

The Oddballs could not keep up the pace in game two when they lost a 21-16 decision against the Fergus Optimists. Doucette was, again, the driving force behind Acton with two home runs.

Game three proved to be little competition for the Oddballs as they wiped out the Fergus Pitfalls again 24-9.

Doucette had a great game, scoring four home runs. Bert Osborne blasted two home runs and Larry Peterson had one.

The Oddballs kept the pressure on in game four destroying Moore Business Farms 31-10. Home runs were scored by Doucette, Bill Kirby and Bob St. Pierre.

In game four Acton had their revenge on the Fergus Optimists, defeating them 26-5. Doucette was still swinging hot and managed two more home runs.

In the final round of play the Oddball's winning roll was put to an end by Riverside in a 21-13 loss. St. Pierre was the only Acton player to manage a home run.

It was a different story, however, on September 16, 17 and 18 when, in the Hillsburgh Tournament, the Oddballs rallied to take top honors.

Mark Hirdle and Dick Spear belted out a home run each to lead Acton to a 20-4 victory over the Outdoorsmen in the first round of action.

The Oddballs really got their game together in game two, blanking Georgetown 34-0. Hirdle, St. Pierre, Spear and Kirby power hit for a total of six home runs.

Game three proved the Oddballs were on a roll as they defeated the Hillsburgh 24's, 22-1. Osborne, St. Pierre, Spear and Hirdle earned home runs.

The Oddballs continued their winning ways in game four, eliminating Herney's 28-15. Peterson, Hirdle, Spear and St. Pierre batted home runs.

In the finals between Acton and the Arthur Hawks, the Oddballs easily managed a decisive win to take the \$200 first prize. Kirby was outstanding in the final round of play belting out five home runs in the 30-11 romp over Arthur. Peterson, Hirdle, Spear and St. Pierre also scored home runs.

## Villa "B" in action tonight

by Dave Dodds

Acton Villa "B" return to action tonight (Wednesday) as they resume their Inter-County Second Division play-off semi-final in Acton against Milton Metal Fab.

Villa lost the opening game by a score of 6-1 and therefore have to win this game in order to stay alive. Should Villa win the game, a penalty kick contest would follow, with the winner going to the finals.

## Black team ball hockey champs

The Green and Black teams battled for the ball hockey league championships recently in the final of the best two out of three series.

Throughout the shortlived series, however, the Blacks dominated the Greens to take top honors in the second game.

The first game saw the Blacks nip the Greens 4-3 in an exciting contest between the two rivals.

Brian Demone scored a hat trick to lead the scoring for the Blacks. Also scoring for the Blacks was Rob Evans.

Dennis Kirton, Brad Buchanan and Ralph Petch scored for the Greens.

The final game was a real cliffhanger as the only goal scored, midway through the second period, left the game open to either team.

But it was the Blacks that hung on to their slim lead to clinch the game and the championship, 1-0.

Scoring the Blacks' goal was Ron Turkosz.

## Boys' soccer

The finals for Halton Rural Boy's Soccer concluded this week with several exciting matches between local teams.

Queen's Tire defeated the Eagles 4-1 in Mini Squirt action with Adam Forest scoring all four times for Queen's Tire and Matt Prystasz scored the Eagle's only goal.

The final standings for the Mini Squirt league was Queen's Tire taking first; Bob's Angel's second; the Eagles third; and the T-Birds fourth.

In Squirt action Jandel lost to Pineview 1-0, and Rockwood defeated Glasvan 4-1.

In the Atom division the Cougars blanked the Cubs 10-0, the Wolves downed Pineview "A" 9-1 and the Leopards clipped Pineview "C" 4-1.

Continuing in Atom league play the Leopards rallied against the Cougars only to lose 3-1. Harry Rinsma scored the Leopards' only goal while Kevin Pettipher and David Patey blasted in three goals for the Cougars.

The wolves wiped out Pineview "C" 5-2.

Wilson's Car Sales captured the Mosquito League title for the Mid-Ontario District and will be playing September 24 in the Gala cup tournament. The tournament, which starts at 8 a.m. will be held on the Centennial Playing fields in Guelph.

This Saturday will be the boys' soccer league finals at the M.Z. Bennett and McKenzie-Smith schools. Kick-off will be at 10 a.m.

The soccer banquet will be held Friday, October 17, at 6:30 p.m. at the Legion. Presentations of awards and team photographs will take place.

The Soccer Club Annual Dance will be held Friday, September 30, at the Legion starting at 8:30 p.m.

"The season would not have been successful without the help of many people," said Sheila Martin, an official of minor soccer. Thanks go out to all coaches, referees and team convenors.

"Big Fish" Still In The Swim  
The big Cobo that sports the Million Dollar badge is still on the loose in Lake Ontario. The reward money for its capture has taken a nose dive to a pay day of \$25,000, if caught during the balance of the derby.

Just where he's finning is any one's guess because it's a big fish pond that the storm and mild weather has turned upside down. Experienced skippers have used up all their tricks trying to get a tight line and they believe the big schools to be back out in the deep freeze and a weather change is needed to bring them up and back in. Last year's million dollar weekend produced several hundred more fish than this year. Only 258 fish were weighed last week end and most of them were recorded at Port Credit.

Saugeen River  
Saugeen River at Southampton is producing good fish and Jack Macdonald who operates a camp near the bridge has a boat that will be available for charter in the near future. Jack is well read on the ways of the Saugeen River game fish.
