**Ballinafad Dairy Princess Institute guest**

Ada Kirkwood was hostess for the October meeting of the WI Wednesday, October 5. There were nine members and four visitors present.

This being the meeting for Agriculture and Canadian Industry, Alma Sinclair, who is the convener, invited Halton County's Dairy Princess Ellen Hurren, to be the guest speaker. She was accompanied by her friend Marilyn McNab, who was the former Dairy Princess for Halton.

In the absence of the president, First Vice-President Eleanor McLean occupied the chair.

Alma Sinclair introduced the Dairy Princess and told a little bit about her background. Ellen commenced her talk by telling of the qualifications a girl must have to compete for the crown. She said it had been a wonderful experience for her, traveling to the different agricultural functions and attending many WI meetings. She mentioned her reign was coming to an end, and in a few weeks a new Queen would be chosen. She passed around articles that were on sale for the Milk Marketing Board, as well as some free recipe books, using milk. Alma, on behalf of those present thanked the Dairy Princess. Eileen Burt then presented her with a small token of appreciation.

Lille Given gave current events. Eileen McEnery had some well chosen words for the topic "Honest Labor Disgraces No One." Winnie Smith was asked to give the devotional reading from the Mary Stewart collect on "Fault Finding."

Thanksgiving weather started off with heavy rain most of the day, Saturday. It was the day of the Auction Sale in the community. Joan and Pat Walldie had for sale the contents of Maple Lodge Rest Home. In spite of the weather it was a successful sale.

The lodge will be missed in the neighborhood. After over 15 years in operation it was the scene of many happy gatherings, including the Ballinafad WI annual visit with the McEnery Orchestra who played old time music.

The residents enjoyed it so much, that a few got on the floor to dance a jig. A sing-song of the old familiar songs was always looked forward to as well.

We wish Joan, along with husband Pat many years of good health and happy times in which to enjoy their retirement.

We extend congratulations to Frank and Lucinda Freeman, area residents who celebrated their 50th wedding anniversary last weekend.

Many were sorry to hear of the death of R.B. Shortill who passed away recently in a Brampton Hospital. Sympathy is extended to his brother Fred and wife in Guelph.

**Lucky Angler**

Jasper Green of town recently caught a 19 pound Chinook and a seven pound Rainbow at Thornbury. He says he was using a Ping-A-T lure which is a good one.
