Leathertown drops point with tie

The Leathertown Men's Soccer Club played only half of their scheduled double-header as Sunday's game was cancelled because of a water-logged playing field. However, the game on Saturday went ahead as the local team battled SNAPS of Mississauga to a 1-1 tie.

The Acton team controlled the game from the start but missed on several scoring opportunities.

The score remained tied at 0-0 until the second half when, in a goal mouth scramble, the ball broke clean to Dave Entwistle. Entwistle coolly picked his spot to put Acton ahead 1-0.

ize on the penalty and the game was tied 1-1.

Acton still pressed hard for the win and although they were allowed a penalty kick they failed to break the tie.

Next weekend is the last of the sea-

son's games as the Leathertown men take on Oakville in Clarkson on Saturday and on Sunday they'll meet Kibris of Toronto.

The Leathertown Soccer Club dance is scheduled for November 19.
