**Introduce your oil furnace to add-on electric heat and introduce yourself to substantial oil savings.**

**The Heat Pump**  
Even on cold winter nights, there is still warmth in the outside air. Just like a refrigerator, the heat pump extracts that warmth and pumps it into your home. Plus there's an added bonus. In the summer, your heat pump works in reverse and becomes a central air conditioner.

**The Electric Boiler**  
If you have an oil fueled hot water heating system, there's another alternative. You simply add an electric boiler. It's no bigger than a small suitcase and can be easily installed.

**The Plenum Heater**  
The "plenum" is the warm air chamber at the top of your forced air oil furnace. That's exactly where a plenum heater is installed. So that on most days, the fan circulates more economical, electrically generated heat.

**The Time is Right**  
Today is definitely the time to investigate the savings of introducing your oil furnace to an add-on electric system. The COSP (Canada Oil Substitution Program) grant will pay for half of the installed cost or \$800, whichever is less, on all systems where oil consumption is reduced by 50% or more.

**THE HALTON BOARD OF EDUCATION**  
invites applications from members of the public for appointments to the

**HALTON HILLS PUBLIC LIBRARY BOARD**

The Library Board trustees oversee the expenditure of library grant monies, set policy for operation of the public library and develop long-range plans for facilities and services.

The Library Board meets at least 10 times a year. Members will also be asked to serve on standing committees.

"A person is qualified to be appointed as a member of a board who:

- is a Canadian citizen;
- is of the full age of eighteen years;
- is resident in a municipality for which the board is established; and
- is not a member of any one of the bodies entitled to make an appointment to the Board."

(From the Public Libraries Act 1974)

Members of the Library Board serve without remuneration.

Please send written applications and resume to Mr. L.V. Auger, Chairman of the Board, 2060 Guelph Line, Box 2005, Burlington, Ontario L7R 3Z2 by November 9, 1983.

Interviews will be held for all applicants.
