Request amber light

An Esquering taxpayer has asked that Halton Hills council consider having a flashing amber light installed at the intersection of Highway 7 and 22 Sideroad east of Limehouse.

Mayor Peter Pomeroy suggested in conjunction with the study of this request, accident reports for the intersection should be reviewed. Engineer Robert Austin said the intersection's traffic volumes and other traffic facts would have to meet provincial warrants or criteria for a flashing amber light. It would be Ontario which pays for the light.
