YBA coming to Acton

The Georgetown YMCA, in co-operation with the Acton YMCA, is pleased to introduce its Youth Basketball program (YBA) in Acton.

The participants in this basketball league consist of boys and girls, 8 to 10 years, Junior League, and 11 to 13 years, Intermediate League.

It's a program that is specially founded in values education, puts "competition into perspective", emphasizing fun, fitness, fair play, and teamwork. Many long hours are spent helping players to develop basketball skills and learn the rules of the game.

The strength of this program for youth is seen through the many volunteers that give

leadership to this program. The volunteer coaches, referees and time keepers give leadership for 13 weeks: three weeks of team selection and 10 weeks of league game play. The Junior League will be held at the Acton YMCA gym, and the Intermediate League at St. Joseph's School gym. Both leagues will commence on Thursday, January 12, 1984, from 7 to 10 p.m. Each child will receive a YBA T-shirt, a player manual, and a YBA player certificate and crest.

YBA flyers will be delivered through the local schools the week of November 28. If your child does not bring one home, please call the Acton YMCA at 853-1070 or the Georgetown Y.M.C.A. at 877-6163.

Sabres brilliant against Barrie, goons in Georgetown

Paul Barratt and Paul Cargill try to protect their goalie Fred Fess against the marauding Georgetown Gimlin last Saturday night. Acton lost the match 9-2.

by Mark Holmes

The Acton Sabres continued their regular season play dropping a high scoring match to Barrie Friday and losing miserably to Georgetown, Saturday.

Acton lost to Barrie 10-8. Sabres started off rather slowly as the Colts rocketed to a three goal lead early in the first. It wasn't until the later half of the opening period that Acton finally came alive, blasting in three quick goals to tie the match.

Scott Kennedy, assisted by Rick Dodds, rallied to put Acton on the scoreboard at 2:27 and at 17:51 Paul Fraser, assisted by Paul Cargill and Brian Demone, put the Sabres back into the game.

With just seconds remaining in the first period Fraser, with assists from Vince Paradiso and Karl Meyer, thwarted the Barrie defense to tie the game.

As the second period opened the Sabres found themselves killing a penalty carried over from the first period. The Colts were on a powerplay and by the 30 second mark of the second period Barrie was ahead by one.

The Sabres were not to be denied a chance of beating the top seeded Colts, as Randy Coverdale tied up the game with assists from Rick Dodds and Paul Fraser.

From that point on the game was a see-saw affair with the Colts going ahead at 4:41 and the Sabres rallying at 8:44. Ken Franklin, assisted by Cargill, dashed down the ice to outmanoeuvre the Barrie goaltender and tie the game.

As the second period drew to a close the Sabres sacrificed their defensive style of hockey to try and take the lead. Unfortunately for the Sabres the Colts took full advantage of a weakened defense and grabbed a quick two goal lead.

The third period provided some of the most entertaining hockey the Sabres have given their home fans this year.

It started off on a downbeat as the Colts managed to increase their lead by three at the 52 second mark. Moments later it looked like it was all over for the Sabres when Barrie smashed in another goal for a four marker lead.

The Sabres, however, did not give up and a change in net seemed to renew their determination to win.

With Paul Morrison in the net replacing Fred Fess, and 11:39 remaining in the game, Demone, assisted by Franklin and Cargill,

gave Acton a much needed shot in the arm with a picture perfect shot from the point.

Minutes later the Acton fans were on the edge of their seats as the Sabres transformed themselves into a well oiled offensive machine. Fraser, assisted by Denis Kirton, dodged around a faltering Colts defense and closed the gap between the two teams.

The Sabres continued to control the game for the rest of the period, but an intercepted pass gave the Colts the clinching goal at the 40:31 mark.

Undaunted the Sabres continued to fight until the bitter end scoring once more with a fourth goal by Fraser to end the game 10-8.

While the Sabres played a good three periods, the Colts managed to out-shoot the Acton squad 57-35.

The Sabres coach Gary Hudson said he was pleased with their performance, especially since they were playing one of the top teams in the league.

"We've got to work on clearing the puck out of our own end a lot faster," remarked Hudson. "If we can keep it out of our end and continue to score the goals, things will definitely be looking up."

On Saturday the coaching staff had no comments after the game and it was no wonder as a thoroughly disorganized Acton club was wiped out at the hands of the Georgetown Gemini, 9-2.

The only time in the entire match the Sabres even remotely showed any indication they were a Junior B club was in the later half of the first period when Clint Waits, assisted by Ken Kevanagh, tied the game at one goal apiece.

A few minutes later the Gemini took the lead again but a quick goal by Cargill seconds later put Acton back in line with Georgetown.

At this point the Sabres might as well have gone home because the Georgetown squad walked all over the Sabres.

The final, humiliating result, was a lopsided 9-2 defeat for the Acton club.

As well as looking bad on the scoreboard, the Sabres took a beating in the penalty department as they chalked up two game misconducts and over 20 minutes in penalties in two periods.

The Sabres will travel to Burlington November 25 and on November 26 the local squad will host Oakville at 8:30.

Midgets tally nine wins, four losses

Ed's In and Out Midgets adjusted their season's total November 19 to nine wins, four losses as they travelled to Kitchener blanking their opponents 4-0.

Mike Ormsby was credited with the Acton shut out and Tony Van Dam led the Midgets assault with two goals. Grant Smith and Randy McIntyre also chalked up a goal each while assists came from Craig Colton, Steve Martin, Phil Wedge, Heath Norton and Grant Smith.

The Acton Midgets were in Kitchener last week as well as they increased their unbeaten streak to four games with a 5-3 decision.

Amateur wrestler receives citation

Steven Sheppard, a grade 7 student at McKenzie-Smith School, received a surprise last week when a citation from Premier Williams Davis arrived in the mail.

The citation was an Ontario Championship Certificate given to young athletes for outstanding performances for their athletic prowess.

"I was really surprised and pleased to have received this award," said Steven. It's the second such award I've won. The first one was a plaque for the competitions I entered last year."

Steven also remarked that last year was his first year in wrestling and he said, "I really like wrestling, it's a neat sport."

According to Steven the McKenzie-Smith wrestling team did very well last year competing in a "Try Meet in Buffalo, New York, an Ontario Meet in Georgetown and a Canadian meet in London, Ontario."

"Unfortunately though," said Steven, "the school has difficulty raising the money to send us to the meets."

The new wrestling season will start this month and Steven is anxious to get back into the sport.

"I think I should do well this year and

most of the other kids should do well too." Steven feels he will continue to wrestle until he is at least 16 and then hopes to pursue a career in either carpentry or computers.
