**Christmas Collector Plates**  
In the Edwin M. Knowles tradition

As traditional as Christmas itself... the Edwin M. Knowles China Company captures the joy, the enchantment of Christmas in two delightful, endearing collector plates.

**Christmas**  
"Christmas" the sixth plate in the Americana Holidays Collection by master artist Don Spaulding, captures the magic, the anticipation of two children trimming the family Christmas tree on a nineteenth century Christmas Eve. This limited edition plate is crafted on the finest china by the Edwin M. Knowles hallmark, the oldest name in American fine china.  
Diameter: 8 1/2 in. (21.6 cm)  
Boxed No.: 84 N41-2.6  
Price: \$40.00

**Santa in the Subway**  
The 1983 plate in the Rockwell Society of America's Christmas Series, "Santa in the Subway" is Norman Rockwell's humorous Christmas interpretation of a young boy discovering a sleepy department store Santa on the subway. Originally painted in 1940, this limited edition plate is certain to capture the hearts of all who receive it. Each plate bears the official seal of the Rockwell Society and the Edwin M. Knowles hallmark.
