Sunday school concert follows Advent service

by Wilfred Smith
 Parents, friends and many others filled the church on Sunday, December 11 for the annual Sunday School Christmas Concert which took place in the afternoon after church service.
 Several young people took part in the service. Hellen Schwarz read the first Scripture lesson. Ruby Pinkerton led the audience in the responsive reading. The Junior Choir although just nine in number under the direction of Bob Pinkerton were a delight. The men's choir were an added joy to the service with a special anthem.
 Eileen McEnery accompanied the men's choir on the piano and played the organ for the hymn singing. The message by the minister, Rev. Bandy, was directed to the children as he told them the Christmas story. Being the third Advent Sunday, teenagers were called up to light the Advent candles. White gifts were taken up to the front and placed around the Christmas tree.
 The Sunday school put on a pageant which depicted the nativity scene. There were a few other numbers on the program, but as always the highlight was the appearance of Santa Claus who had gifts for all the youngsters.
 Mr. and Mrs. Peter Koper-

draad opened their home on Wednesday evening, December 7 for the December meeting of the WI members with their husbands and friends gathered in the recreation room at the supper hour. A glowing fire in the corner fireplace gave just the right touch for the festive occasion.
 An entertaining skit was presented by members of the WI. They were each dressed in costumes representing the country which they came from. It was to signify the citizens who make up our Canada. First the Indian, followed by the French, English, Ukrainian, Scottish, Dutch and ending with Canada. Grace McEnery commented as each came forward.
 Congratulations to Ruth Burt. On Sunday she became a grandmother again. Daughter Lorraine and husband Bruno are the proud parents of a little son, another great-grandchild for Winnie Smith.
 We wish every success to Nancy Shortill, who has accepted a position as Special Activities Coordinator at Horse Shoe Valley at Barrie.
 The annual Christmas get-together of the Douglas families was held at the home of Grant and Laura Wright on Sunday, December 4.

Out doors
 by George Hoare

Falcons
 Two Ontario residents face conspiracy charges following an early morning raid on a Cambridge area farm by officers of the Ministry of Natural Resources and the RCMP.
 Natural Resources Deputy Minister W.T. Foster said the charges followed three years of intensive investigation into illegal international trade in endangered species—in this case, falcons.
 Conviction on the charges could bring a maximum penalty of five years imprisonment or a fine of \$25,000 or both.
Fact sheet on falconry
 Falconry originated in China about 2000 BC.
 During the last decade, the demand for peregrine falcons and gyrfalcons has risen dramatically on the international market. This demand has resulted in an increase in the illegal taking of eggs and young falcons from their nests throughout the Canadian Arctic, a primary breeding area for these species.
 When captured, the falcons are illegally exported to Saudi Arabia and other Middle-Eastern countries, where the birds are highly prized by Arabs who practise the ancient art of falconry.
 In the Middle East, a peregrine falcon will bring up to \$8,000, while a gyrfalcon will command a price from \$12,000 to \$30,000.
 Falcons can only be legally possessed in Ontario for two reasons—for patrol work to rid airports of dangerous nuisance birds such as gulls, and for exhibition in educational institutions and municipal zoos.
