

Nellis champs in Flamboro

The Nellis Construction Major Atoms got off to a rather dismal start in the Flamboro Atom Hockey Tournament losing their first three matches but rallying for their fifth and sixth match they managed to take the Junior Division championship.

On December 26 in Acton's opening match the Major Atoms were blitzed by Grimsby 6-1 with the lone Acton marker coming from John McLean.

Later that day Acton found themselves pitted against Wheatfield and they were overpowered by their opponents 3-0.

On Tuesday December 27 Acton still couldn't muster a win as Milton managed a 4-2 win over the local squad. Wayne Bousfield recorded the first Acton goal with assists from Michael Kinnon and Jason Piper. McLean tallied the second Nellis marker with an assist from Chris Van Dam.

However, on December 28 Acton managed to nip Burlington 1-0 and ensured themselves a spot in the Junior Division finals.

Assisted by Piper and Michael Kinnon, Bousfield blasted the puck past the Burlington goalie for the win.

On December 29 Acton met Chatham for the division final and rallied midway through the first period for the win.

Chatham opened the scoring at the 7:54 mark of the first period to take the lead but moments later Michael Kinnon, unassisted, scored for Acton to tie the game.

Neither team could gain an advantage during the remaining minutes of the first period and the second period remained scoreless as well.

Finally, at 4:51 in the third period Bousfield, assisted by Piper, plugged the final goal of the game for the division championship.

Also on a bright note, Bousfield was named the Most Valuable Forward in the Junior Division and Todd Demone was awarded the most valuable goalie in his division.

Elmira edges Acton in championship bid

The Acton Alton-McIsaac Novices, competing in the New Hamburg Boxing Day tournament, lost in their championship bid to Elmira 10-1.

The Novices reached the finals by winning by default against Six Nations, who failed to show-up, and then hammered out a decisive 5-0 win over the hosting New Hamburg team.

Brad Hayter played a strong offensive game scoring four times. His goals were unassisted while the fourth came from Steve Turkosz. Jim Lloyd recorded the other Acton goal with a neat set-up by Troy McDougall.

Ricky Demone and Jason Bousfield shared the shut-out.

In the final match a tired Acton Squad couldn't rally against Elmira and the one sided contest led to a 10-1 upset. The lone Acton goal was scored by Chris Muir with an assist from Hayter.

In recent league action Acton dropped a 7-4 contest to Elmira and a close 2-1 loss to first place Stratford.

Hayter paced Acton against Elmira scoring all four goals with assists from Don Haynes and Brad Cripps.

While in Stratford Acton put up a good fight before bowing out 2-1 to the league leaders. Hayter scored the lone Acton marker unassisted, and Demone kept the score respectable with terrific goaltending.

Glenlea blanked in two tourneys

The Glenlea Drugs Minor Atoms had a busy Christmas schedule but unfortunately they couldn't manage a win in either of their two tournaments.

Joel Dowle played a tremendous game in Acton's opening bid in the Hespeler tournament December 26. Hespeler, (who went on to eventually win the tournament) rapped in three goals against the local squad and, at the same time, held Acton at bay for a 3-0 victory.

In game two Acton found themselves pitted against Preston in a two, five minute overtime thriller. Bill Gillies managed to crack in a pair of goals and then Matthew

Robertson nailed a third marker to put the game into overtime. Unfortunately, in the second overtime period, Preston blasted in the winning goal to put Glenlea Drugs out of the tournament.

On December 29 the Minor Atoms were in Grimsby challenging two AA clubs. In their first match against Dundas the local squad met with defeat as their opponents managed to blank them 3-0.

However, in game two Acton managed another cliffhanger but a superior Aurora club notched two goals to Acton's one.

Chris Shannon recorded the lone Acton marker with an assist from Bill Gillies.

Hockey coach Rick Smith pulled Paul Montgomery's number from the drum to win the weekly \$1,000 Acton Minor Hockey Association draw Saturday. Bill Brouwer sold the Oakville man his ticket.

South London team Captain, Steve Vickerage, accepted the Bantam consolation trophy at the Charlie Thompson Memorial Tournament.

Meet the RAIDERS

DAVE KENTNER — General Manager
Dave Kentner has been around the local hockey scene for some time as a member of the Senior 'A' Raider executive and minor hockey and probably doesn't need an introduction to area sports fans.

The veteran 'Hardy Cup' champ GM is another link in the championship team that returned to the fold this season after a season's hiatus.

Kentner acts as the GM for the squad collecting the hockey talent the teams puts on the ice as well as acting as the team's vice-president in charge of hockey operations. He is also active as president of the Chamber of Commerce.

Last season Dave had the honor of being the first ever president of the Georgetown Minor Hockey Association, a position he relinquished this year to rejoin the Raiders.
