## Georgetown Raiders

### Canadian Club PLAYER OF THE MONTH

Juri Kudrasovs got a new number and a new lease on the Senior 'A' hockey season during the month of December earning him the Hiram-Walker 'Canadian Club Award' as Raider of the Month.

Juri switched from his familiar number 11 to 31 just to remind people of the veteran centre's age. The member of the Hardy Cup champs of two seasons ago Juri earned the first star in Molson's Three Star selections this month as well as moving into the top 40 among scorers with nine goals and 16 assists on the season.

A knee injury last season kept the veteran out of the line-up but the former Kitchener Junior has rebounded to be a main force up the middle for the local side.

## MOLSON'S THREE STARS OF DECEMBER

The month of December marked a time for veterans among the Georgetown Chrysler Raider fold as three members of the former Hardy Cup champion roster earn the Molson Three-Star selections. Centre JURI KUDRASOVS earned the first star of the month for his outstanding efforts on his team's behalf. The veteran scorer moved among the top 40 in scoring adding to his

total leaving him with 25 points through December. A returning veteran, STEVE LYON was a welcomed addition to the local roster and he showed why early by earning the second star honors in his first month back. JOHN SAUNDERS might be the steadiest of Raiders to date-earning the third star honors for the second consecutive month.

## EXECUTIVE OF THE MONTH

Al Walker is the 'A.E. LePage Executive of the Month' for his efforts on behalf of the club in the capacity of vice-president in charge of the box office.

Al is probably the first Raider that local fans got to meet when they enter the rink for the home town games. He is usually the man behind the ticket window selling tickets.

He is responsible for paying game officials, ice time and whatever else might come along

as well as keeping order among those entering the game.

In addition Al has been heavily involved in helping produce the Raider program and carrying out any other functions asked of him by president Finn Poustrup.

Al Walker is another spoke in the wheel that keeps the Georgetown Chrysler Raider machine rolling smoothly.
