PROPERTY ASSESSMENT and your 1984 Municipal and School Taxes
 Regional Offices located throughout Ontario are responsible for assessing all real property for the purposes of municipal and school taxation. The resulting Assessment Rolls are delivered to municipalities which use them to set their mill rates and compute municipal property tax bills. The amount of property tax you pay on your home or business depends on the assessed value and the mill rate set by your municipality. The assessed value multiplied by the mill rate will determine your 1984 property taxes. Open House Sessions Open Houses are your opportunity to fully understand your assessment and to evaluate its equity. Open Houses are held in every municipality at convenient times and locations, to provide you with the opportunity to discuss your assessment with staff of the Regional Assessment Office. An assessor will be pleased to explain the basis of your property assessment and is authorized to amend any information as may be necessary prior to the delivery of the Assessment Roll to your municipality. If you have any questions but are unable to attend the Open House, please contact your Regional Assessment Office at the address or telephone number shown below. Assessment Notice Property owners and tenants will receive an Assessment Notice only if information regarding their property or assessment was changed during the past year, if the assessment was appealed last year, or if the property has been reassessed under section 63 of the Assessment Act. If you receive an Assessment Notice, it may reflect changes you have requested in your school support designation, the amount of your assessed value, or other recorded information on last year's Notice. Appeal Procedure If, after attending your local Open House, you are still dissatisfied with your assessment, you have a right to appeal it to the Assessment Review Board. The Assessment Review Board conducts informal hearings and is responsible for determining whether the assessment under appeal is fair and equitable with the assessments of similar properties in the vicinity or neighbourhood, and may alter your assessment accordingly. Appeal Deadline The final date for appealing your assessment is March 7, 1984. Your appeal must be forwarded, either on a Notice of Appeal Form or as a letter, to the Regional Registrar of the Assessment Review Board on or before March 7, 1984, noting your property address, Roll Number and the reason for the appeal. To assist you in this regard, Notice of Appeal forms and the address of the Regional Registrar of the Assessment Review Board are available at Open Houses, your Regional Assessment Office, or your municipal office.
