

This week thru the lens

Winter grips Halton Hills

On the Leavell

With Helen

Winner of the Columbian Squires 50-50 draw is Mr. Krzyzik, ticket number 214.

Rev. Art Tribe will be giving the sermons at St. Joseph's Catholic Church this Saturday evening and Sunday morning as part of the pulpit exchange, in a week of prayer for Christian Unity. Father Ralph Diodati will be at St. Alban's Anglican Church.

Captain Wilson Perrin of the Salvation Army will be conducting the Sunday service at Evangel Pentecostal Tabernacle and Rev. Cliff Hodgson will be at the Army Citadel. Jean Stairs, of Acton Baptist will be switching pulpits with Churchhill Community Church's student assistant Craig Rumble.

Knox Presbyterian and Bethel Christian Reformed will not be participating as they have no full time ministers at the present time. Trinity United minister Don Matheson is not exchanging this week, but instead will be speaker at a special Clergy Association sponsored service January 29 at 3 p.m. at the Salvation Army Citadel. All denominations are invited to attend.

Theme for Christian Unity week is "Called Together By The Cross."

The Brookville School News is generally a pretty informative little paper, but this month, it seemed there was even more news than usual in it. The following has been swiped from it:

Tonight (Wednesday) 140 grades 7 and 8 students are attending the opera "Carmen" at O'Keefe Centre. Their first stop is the Organ Grinder where they will enjoy a pizza supper before the opera.

The trip is in conjunction of the students' study of the opera Carmen in their Language arts classes and the music in music classes.

To further feed their cultural minds, the grades 6, 7 and 8 will be heading to Hamilton Place on February 9 to see the Hamilton Philharmonic Student Concert.

I also see in the newsletter Brookville students in Kindergarten, and grades 1, 2 and 3 will enjoy an "afternoon of fun-filled outdoor activities" on January 27. Teams will be comprised of children from each grade level plus a senior student assistant. It is designed to provide integrated social opportunities, exercise and maximum enjoyment of the natural landscape surrounding the school.

Parents wanting to call Brookville school, but are outside the local calling area can now dial the operator and ask for Zenith 86830. This is good for the exchanges of 856, 821, 822, 823, and 824. The exchanges of 836 and 659 are not serviced under this number, but the three families involved are asked to call the

school collect when they need to. Only these three families are asked to call collect.

One Monday night, (January 23) Acton High School principal Betty Moore will be having an OSIS information night for anyone in the new secondary school system.

OSIS stands for Ontario Secondary School Intermediate and Senior, and is essentially a realignment of the credit system, bringing in more compulsory subjects.

Meeting starts at 7.30 at the High School.

The recent cold weather has convinced (or should have convinced us all) that this snow is just not going to go away for awhile. Because of this, a little cooperation is needed.

See that fire hydrant on your front lawn? Some day that little thing could mean your life or death, or that of your neighbors'. For the sake of a few minutes of your time, would you want to see tragedy strike.

As the snow piles up, the hydrants disappear shortly after the grass. Many of us feel a moral responsibility to those around us to dig that hydrant out and make it visible in the event the volunteer firefighters need to use it. If they do need it, you can bet it will be in a hurry, so why not have it already cleared. Consider it like life insurance.

The Region's works crew is working on the problem, but let's face it, with 2,000 hydrants in the area, they have their hands full. Why not help the region, the firefighters, but more importantly, yourself and get digging.

While I'm on my soapbox, this is just a reminder that it is illegal to throw your snow on the road while you are shovelling your driveway (or hydrant). Sorry fellas, but that's the way it is.

Eden Mills Hall is busy

by Mrs. G. MacDougall

The UCW served their first monthly luncheon in the hall on January 4. The Friendly Seniors held their first meeting of the New Year in their room at the hall. There were 17 members present and they enjoyed a social afternoon of cards and refreshments.

John Cann who is enrolled in the Honors Forestry course at Lakehead University in Thunder Bay and his brother David and friend Dr. Judy Wasserfall, both of Toronto, were holiday visitors with their parents, Mr. and Mrs. Jim Cann.

Mrs. Irene Cole is on a business trip to Kentucky, U.S.A.

Get well thoughts are with Mrs. Ev. Barnden who had an unfortunate fall on an icy patch and suffered a broken arm and foot injuries.

Car catches fire

An estimated \$1,000 damage resulted after a car caught fire Wednesday afternoon on Highway 25 at Speyside. Volunteer firefighters were called to the scene at 4.23 p.m.
