## Novices dump Preston

Returning to Hub League action January 7 the Alton McIsaac Novices continued to show steady improvement as they whipped Preston 5-1 on home ice.

A total team effort was led by the duo of Shane Corkum with two goals and an assist and by Jim Lloyd with one goal and one assist. Brad Hayter continued his scoring streak with two markers and, thanks to some aggressive forechecking, Steve Turkosz assisted on Hayter's first goal. Ricky Demone and Jason Bousfield shared the goaltending duties for the win and strong defence by Troy MacDougall, Don Crispin, Steve Corbett and Jim Katsilleris ensured the victory.

On January 15 Acton hosted Orangeville in exhibition play and lost a close match 3-2. Acton seemed to hold an edge in the offense and defense play but Orangeville managed to outscore the local squad for the win.

Brad Hayter took the opening faceoff and scored with aids from Corbett and Turkosz to give Acton an early lead.

However Orangeville tied up the match moments later and it wasn't until Hayter poked in an unassisted goal midway through the first period that Acton had the lead back.

The local Novices had trouble during the second period as they couldn't manage to get the puck past the Orangeville goaltender and late in the period Acton's adversaries tied up the game.

Orangeville then took the lead early in the third period and despite several attempts to tie the match Acton couldn't rally.

Unfortunately the game was curfewed with 3:51 still left to play and the decision was given to Orangeville.

## Karate, Judo are offered at YMCA

Acton YMCA has only a few programs this winter and more are not foreseen until at least after the annual meeting next month, according to Eileen Dix, of the Y staff.

Karate is being held Monday evenings with Judo Tuesdays and Saturdays. The Mug is still underway Friday evenings, and the Parent and Tot program runs from 10 a.m. to 2 p.m. Wednesdays. There is no charge for this program.

Mark Dills had two good runs at the ski event but his times weren't good enough to put his team into a finishing position.
