## St. Joseph's sports

by Jim McGerragle

St. Joseph's School basketball teams have begun their 1984 schedule with three highly contested matches, but unfortunately they couldn't master a win. On January 17 both the boys and girls teams travelled to Speyside school where they met Brookville and in the girls' match the lead saw-sawed between the two adversaries until the last quarter. Brookville managed to gain the upper hand in the end and finished the game with a score of 37-29 in their favor. The boys' match followed and again Brookville was successful in overpowering the St. Joseph's squad. The final tally in the match was 29-14 for Brookville and Doug Poulton, Nor-

man Chewoniak, Tammy Kutlasienski and Justine Porter were named the stars of the games. On January 19, St. Joseph's journeyed to Holy Rosary in Milton and again their opponents proved to be overpowering as the girls lost 31-16 and the boys were downed 25-10. The girls' team looked sharp during the last quarter of the match, but couldn't overcome a strong Milton lead and Cynthia Donston played extremely well on both offense and defense. The boys' match was fast paced, but a superior Milton team had the decisive edge. Next week St. Joseph's will be pitted against Holy Cross in Georgetown.
