Youngsters out selling Guide cookies, cheese door-to-door

by Barb Funk

The Eramosa Minor Ball Association is meeting on Thursday Feb. 16 at Rockmosa Centre at 8 p.m. They ask all interested parents to attend this meeting so that the spring and summer seasons can be well planned for the area's ball playing youths. They also ask those who still have a uniform at home, to please return it that evening.

There are a lot of junior salespeople canvassing the village this past week. Students of Rockwood Centennial have been selling cheese to help supply the Home and School Association, while the Brownies and Guides are again busy selling Girl Guide cookies. So watch for them and help support two worthwhile groups.

Remember, Fri. Feb. 17 is a professional activity day in Wellington County, so public school children will be home for the day.

Women's Institute

The February meeting of the Rock-a-long Women's Institute was held at the home of Mrs. Cecil Nellis with 13 members present.

The minutes of the January meeting were read and approved and the treasurer's report given. Mrs. Alex McPhedran gave a very appropriate In Memoriam for Mrs. Gordon Nelson who passed away in January. Roll Call "What I like or dislike about Supermarkets" was answered by the members. Mrs. George Mitchell, convener for Resolutions was in charge of the program and read a poem "A Time to Risk". Mrs. Cecil Nellis, convener of Family and Consumer Affairs gave several readings that

she had prepared for the January meeting but because of weather conditions was unable to attend.

Osprings

Brownies have fun at camp

by Doris Fines

It was a grand weekend for Osprings Brownies, weatherwise and otherwise, which they spent at Camp Corwin, near Aberfoyle. Four leaders went along to supervise, Will Argudin, Gail Ridley, Marg Smits and Margaret Barnstaple. The 13 Brownies worked on their skiing, snowshoeing and winter adventure badges, and did a lot of hill sliding for fun.

Inside, they learned about pioneer artifacts, made little log cabins of sticks, made hand-dipped candles, and tried their hand at churning butter and making stew. It was a fun and learning experience.

A friendly enjoyable time was had at the

Ladies Aid euchre in Knox Church basement Saturday evening. Anna Stubbington had high score for the women, and Mel Storey was high for the men. Mildred Sinclair got the consolation prize. Watch for the date of the next euchre early in March.

With the weather warming up a little, the Osprings Cubs and Scouts moved outdoors the past several weekends. They participated in the District Bowling Tournament last Saturday, and Michael Cosgrove was the top bowler for the Osprings group. On Sunday, the Cubs took part in a Sunday Fun day, which included a cross-country ski race and an outdoor cookout. Kevin Argudin emerged as the top skier of the group.

Meet the RAIDERS

RAY TONELLI

Georgetown Chrysler Raider fans have had little opportunity to see Ray Tonelli in the local line-up this season but they should see more of him in the final month of the season and through the playoffs.

Tonelli spent the past season coaching the Milton Junior 'B' Steamers and that made it impossible to make Friday night games since re-joining the red and white from the Flamboro Real McCoy's.

The 32 year old left winger weighs in at 200 pounds and stands 6'3" tall. Tonelli was last with the Raiders in 1981-82 when the local side claimed the Hardy Cup.

In his spare time Ray enjoys Antique refinishing.
