Six First Class Itineraries to choose from:

With only two or three weeks to see Europe, Esprit's direct KLM or Air Canada flights, jet you directly to the continent and the places you came to see. No need to waste precious days crossing the channel from London. Esprit includes many table d'hôte dinners as well as a welcoming and farewell dinner. Our hotels are all First Class and centrally located close to the heart of the cities you came to see, not on the outskirts with an expensive cab ride into town. This year if you want to see Europe "First Class" go with Esprit Vacations.
